# TO COMMEMORATE . .

Fifty years of steadfast labor to better the lot of his fellow-man; fifty years as a priest of God and a faithful pastor, ministering to the needs of his flock; fifty years of service to the Order of St. Norbert as a priest; ten years as the guiding spirit of the St. Norbert Abbey, and thirty-eight years as founder and only president of St. Norbert College. To commemorate these fifty years, we, the students of St. Norbert College, respectfully dedicate the Des Peres of 1936 to the man who signifies all that the name St. Norbert means, the Rt. Rev. Bernard H. Pennings, O. Praem.

● RT. REV. ABBOT B. H. PENNINGS, O. PRAEM.  
*Founder and President of St. Norbert College*

## History of the Abbot

**T**HE RT. REV. B. H. PENNINGS, O. Praem., Abbot, was born in Gemert, Holland, June 9, 1861. He received the Premonstratensian habit on October 26, 1879, and took his vows on June 6, 1884. He was ordained to the priesthood in June, 1886, and seven years later he was sent to America.

In America his duties were to take charge of the Belgian peninsula and to combat the heresy preached by the notorious "Bishop" Vilatte. The first Norbertines to come to America with Father Pennings were the Rev. Lambert Broens and Brother Servatius. Their duties, as pointed out by Archbishop Messmer of Milwaukee, were to take charge in districts where there was a need for priests acquainted with the French and Flemish languages. Father Pennings and Brother Servatius were sent to Delwiche, Wisconsin, while Father Broens remained at Sturgeon Bay for some time.

Father Pennings met with difficulties immediately. His church was found burned to the ground, and his parishioners were under the influence of the heresy taught by Vilatte. The church was repaired, but for a time Father Pennings was forced to use the sacristy as an abode for both himself and Brother Servatius.

In 1894 two more Premonstratensians came to the United States from Holland. They were the Rev. R. Van Rooy and Brother Michael. They were assigned to the Church at Dykesville, and were soon followed to this country by the Rev. S. Mickers, in 1896. He took charge of the church at Rosiere. In 1894, Rev. L. Broens was made pastor of Martinsville and its missions.

Bishop Messmer considered the time an apt one for the establishment of a Premonstratensian house in this country, so he offered the parish of St. Joseph, De Pere, to the Fathers. The offer was accepted, in 1898, and Father Pennings went to Europe to recruit priests for the missionary work. When he returned, he was accompanied by several Fathers and a Brother.

On September 28, 1898, Bishop Messmer canonically established the Order House at De Pere. Father Pennings was superior of the community, which existed in poverty. Within two weeks after the establishment of the house, St. Norbert College was started with Francis Van Dyke, now the Rev. I. F. Van Dyke, as prefect of discipline. By 1901 the number of students had grown so large that a new building was required to house them. By 1903 Main Hall was ready for occupancy, and the next addition to the campus was Boyle Hall, contributed by Henry Boyle of Fond du Lac, whose son, Francis, had been a student at the College. This building was dedicated in September, 1916, the same year in which a central heating plant was erected. In 1931 the new gymnasium, latest addition to the campus, was completed.

In spiritual matters there was just as much progress made as in educational fields. Priests were sent to Canada, Michigan, Montana, and Chicago, to continue the missionary work so well begun by Father Pennings. Other priests were sent to the Gregorian College at Rome, the University of Louvain,

*Left Top*—Choir stalls of Berne Abbey, home Abbey of Abbott Pennings.

*Left Bottom*—Coat of Arms of Abbot Pennings.

*Center Top*—Gemert, Holland, Latin School from which Abbot Pennings graduated before joining Berne Abbey.

*Center Middle*—Photograph taken shortly before sailing from Holland to America in 1893. Father Pennings is seated and Brother Servatius and Father Broens are standing.

*Center Bottom*—Berne Abbey to which Father Pennings belonged until the West De Pere Priory was established in the United States in 1898.

*Right Top*—The parish church in Gemert, Holland, where Abbot Pennings was baptized.

*Right Bottom*—Coat of Arms of the St. Norbert Abbey, West De Pere.

the Catholic University of America, and the University of Wisconsin. They were being prepared to give the College an adequately prepared educational staff.

In 1925 the St. Norbert Priory was made into the St. Norbert Abbey, thus establishing permanently the first Premonstratensian abbey in America, with Father Pennings as its first abbot.

The latest honor to be bestowed upon Abbot Pennings was the *cappa magna* by Pope Pius XI in 1934. This honor, often given to bishops, is rarely bestowed on abbots, and consequently it is a mark of distinction.

Two more additions to the holdings of the Order in educational fields were made recently with the acquisition of Archmere Academy at Claymont, Delaware, a very select boys' school, and taking over of Southeast High School, Philadelphia, Pa., which this year has an enrollment of some 800 students.

Thus Abbot Pennings continues his constructive work in America, and, although a prominent figure in the hierarchy of the Church, he still has at heart the interests of the parish which was entrusted to his care thirty-eight years ago, and whose interests are always his first consideration.

*Left Top*—Bishop Heylen, O. Praem., President of the International Eucharistic Congress committee with Abbot Pennings during a visit to the St. Norbert Abbey in 1928.

*Left Bottom*—Delwich Church in Door County, Wis., where Abbot Pennings began his missionary work in 1893.

*Center Top*—Pontifical Mass during which Abbot Pennings received the Cappa Magna on the eighth centenary of the death of St. Norbert in 1934.

*Center Middle*—Abbatial blessing of Abbot Pennings in 1925.

*Center Bottom*—Silver jubilee of Abbot Pennings as a priest, June 19, 1911.

*Right Top*—Bishop Rhode of Green Bay, and Abbot Pennings.

*Right Bottom*—First students of St. Norbert College, the Rev. A. F. Vissers, O. Praem., and the Rev. I. F. Van Dyke, O. Praem., with Father Pennings and a lay professor, 1898.

TO aid the alumni readers of this volume in recalling the scenes of their student days and to give those who have not attended the College an idea of our campus, these views are presented.

## THE SUMMER SESSION

In June, 1934, a summer school was formally opened under the auspices of the College acting in conjunction with the school system of the diocese of Green Bay, headed by the Bishop, Most Rev. Paul P. Rhode, D.D., and the superintendent of schools, the Rev. Edward J. Westenberger, Ph.D.

Courses of collegiate grade are offered on the College campus by a specially selected faculty of priests, sisters, and lay instructors. In addition an eight grade demonstration school is conducted by sisters chosen from the different communities. This demonstration school attracts some four hundred children and sessions are held in the adjacent St. Joseph Parish school and at the St. Boniface Parish school in West De Pere.

The courses offered are specifically intended for teachers in the elementary grades. The objective is to furnish teachers, specially those in the diocesan schools, with practical information and training concerning the most recent advances in elementary school technique. In addition to a large enrollment of teaching sisters, several lay teachers also took advantage of the courses offered during the past two sessions. The demonstration school is of immense value insofar as the teacher-students are given an opportunity to observe the practical application of the principles of recent teaching techniques set forth in class by the College staff and actually demonstrated by expert instructors.

REV. E. J. WESTENBERGER, Ph.D.  
*Director of Summer Session*

TO present the men who have taken part in campus activities during the past year and who have helped much to inscribe another successful year in the annals of the history of St. Norbert College, we present, pictorially, the College classes.

## THE COLLEGE SOPHOMORES

*Top Row*—Hertel, Clark, Donohue, Hugo, Pratsch, Moore, Kerscher, McNevins, A. Van Gemert, Radelet, Rogan, Vincent.

*Middle Row*—Sertich, W. Johannes, Van Thull, Appleton, J. Merrill, Kadlac, Burke, Mailhot, LeRoy, Sturdivant, Johnson, R. Merrill.

*Bottom Row*—Francis, Van De Loo, Blahnik, Fitzgerald, Bailey, Niesen, Jacobs, Leininger, Hruska, Van Dyke, McEachron (R. I. P.), Venne.

## THE COLLEGE FRESHMEN

*Top Row*—Dalrymple, Philipsen, Claridge, Rettke, DeLeers, Ahasay, Waldron, Neuman, Schmitt, Lagerbloom, Glim, O'Mahar, Andersen, McKee, R. Van Gemert.

*Middle Row*—Danz, Treml, C. W. O'Connor, Jno. Robb, Rentmeester, Goffard, Motiff, Baumgart, Danen, Kosciuk, Geimer, Ryan, Gilson, Morgan.

*Bottom Row*—Juul, Stanish, Gunn, Meinert, Bourgoin, Anderson, Canadeo, L. Johannes, C. J. O'Connor, Kerscher, Haigh, Beach, Fitzgerald, Martin, Meier, Bartoszek.

## THE COLLEGE FRESHMEN

tine Fathers under the direction of the Rev. Dr. P. N. Butler, O. Praem., was issued. The College board of publications called for applications for executive positions on the Times and the Des Peres for the year 1935-36. Eight new members of the Third Order of St. Norbert were professed. The College committee on degrees and standings announced that 23 seniors would receive degrees.

Much interest was shown on the campus in the baseball loops, both hard and softball, which were organized last spring. College men wore grim faces for the first few days of the month of April, indicating that quarterly exams were being held. However, their fears were not well grounded, as 61 students were on the honor roll. There were five straight "A" students.

Two members of the seminary were ordained to the holy priesthood on May 2, 1935. They were Rev. Damian B. Wieber, O. Praem., and Rev. Leo J. Bartosz. Twenty-four men received Red Cross cards as evidence that they had satisfactorily completed a course in first aid. The Rev. L. A. V. DeCleene gave a talk at the Wisconsin sectional meeting of the Mathematical Association of America, held at Marquette University.

The College tennis squad, in attempting to defeat the strong Lawrence aggregation, was snowed out, and forced to postpone the match. The spring football game, marking the close of spring practice, showed that the team for next year will have plenty of power, especially offensively. Two night games were scheduled for the 1935 grid squad. The Des Peres for 1935 was ready for distribution May 17. The Times, student publication, received a first-class honor rating by the Associated Collegiate Press. The commencement play, "Leave it to Psmith", was under rehearsal and promised to be the outstanding production of the year. Members of the College, both students and faculty, eagerly awaited the announcement of the results of the examination by the war department to determine the fitness of the campus for an R. O. T. C. unit. The Rev. Ludolf F. Jacobs, O. Praem., College language in-

structor, left for Germany where he visited his home.

The College tennis squad, in its first year of competition, closed its season with two wins over the Jordan netters. The College squad won only two games in seven starts. Ten basketball and six boxing awards were made by the Rev. M. J. Windt, O.Praem., athletic director, at the regular Monday morning convocation. Several College men were signed to play on various baseball teams during the summer months. The Very Rev. Dr. A. M. Keefe, O. Praem., College rector, spoke over a national radio hook-up as a part of the regular weekly Science Service Radio Talk series.

The executive positions on the student publications for 1935-36 were announced. John M. Scovell and Leonard C. Liebmann were to take over the reins of the Times, while David A. Yuenger was chosen head of the Des Peres. Business managers of the publications were Edward J. Goetz, managing the Times, and Henry J. Platt, who is to direct the business destinies of the Des Peres. The Rt. Rev. B. H. Pennings, O. Praem., president of the College, celebrated his tenth anniversary as head of the Norbertines in America by a low Mass, at which the entire student Holy Name society received Holy Communion.

At the Baccalaureate address the Rev. George Beth told the seniors that their youth was the time to watch the development of their characters. The Junior-Senior banquet was another successful event of the Commencement week. The program of the College musical society was well received. Father Keefe was elected head of the Reserve Officers' association. James A. Hughes, De Pere senior and football captain, was announced as valedictorian of the class of '35. James W. Lang, after guiding the Times for one-third of its existence, retired in favor of John M. Scovell and Leonard C. Liebmann. The College commencement play, "Leave it to Psmith" pleased a packed house at its performance on Wednesday, June 5. Twenty-two seniors received degrees on Thursday, June 6, at the commencement day program. Talks were given by John W.

[illegible]

The silence was soon broken by the advent of the sisters who arrived in full force for the summer school, which lasted six weeks. The evenings again were filled with laughter as the sisters battled to see which team would win the volley ball crown. However, the weeks sped quickly by, and soon the campus was deserted once more, to be awakened by a few early arrivals who worked in the offices, and who had to prepare for the coming fall registration.

September 3, first registration day, found the campus crowded with registering day students, followed the next day by a large crowd of boarding students, the largest boarding body on the campus since the school began. Freshmen were very much in evidence walking around with a lost and forlorn look in their eyes. The sophomores took them in hand on September 16 and distributed the ten commandments, which were faithfully obeyed by the frosh, who greatly feared the famed "Kangaroo Court". The Green Knights grid team was all set for its tilt with Oskosh, which ended in a 12 to 12 tie. Hank Platt, Shorewood senior, was reelected Prior of the Third Order. The Des Peres started advertisement solicitation, betting on a good start to carry them through the year. The "Fortnight" was continued in the Times. The Green Knights, playing their second game in their new uniforms,

tie against the hefty St. Viator eleven of Kankakee, Illinois. The Rev. Cassiana R. Holba, O. Praem., of Jaszo, Hungary, arrived on the campus to study American ideas, taking up his residence at the Abbey. The Rev. F. F. DuPont, in keeping with the College program of being up to date, attended the meeting of the College Registrars of Wisconsin. The Alumni Association was reorganized with George Martens as president, Henry Nellis, vice president, Harold M. Kuypers, treasurer, and James W. Lang, William Sanders, and the Rev. Henry Schmitt, as directors. The Very Rev. Dr. A. M. Keefe, O. Praem., College rector, spoke before a meeting of the Catholic Order of Foresters in De Pere, stressing the need for Christian education.

Eight veterans reported for the first basketball practice, headed by co-captains David Yuenger and John Scovell. The third Order of St. Norbert took in six new members at its regular bi-weekly meeting. Rounding out a series of lectures given at different points in the state, Father Keefe spoke at an R. O. A. meeting in LaCrosse.

21 grid men were honored at the annual football banquet. The season's splendid record of three wins, four ties, and only one loss was the chief topic of discussion, and 23 major letters were given to 21 players and two managers. The DeWillo trio, consisting of a piano, concertina grande, and a vocalist entertained at the Monday morning convocation in the second of a series of programs offered in the College lyceum course. The broadcast of news highlights during the College radio hour was an innovation and the means of informing those interested of the activities of the campus. Bosko of Anndale, the new College mascot, made his appearance on the campus shortly before the Thanksgiving holiday. He was loaned to the College by Edward M. Goemans, Milwaukee attorney. The bids for the printing of the 1936 Des Peres were opened, with several companies competing. The Green Knights dropped a close decision to the strong Concordia five by a score of 31 to 29, but came back strong to defeat the Mission House Muskies, 33 to 19, and Jordan College, 31 to 26, while

losing to the exceptionally powerful Central State Teachers team, 27 to 24. The intramurals got underway with eight powerful teams in the race, but with Hank Platt's Champs seemingly the class of the loop, followed closely by Steve Bellile's Hodags. The Rev. A. M. Keefe, O. Praem., Ph.D., College rector, attended the installation ceremonies of the Very Rev. Michael John O'Connel, C. M., as rector of the DePaul university. Friday December 20, rolled around, and the campus was deserted for the two-week Christmas vacation. Meanwhile the College boxing squad traveled to Chicago, where they decisively defeated Loyola university, six to three.

Two weeks later the busy activity on the campus was renewed as students returned to rest up from the rigors of a long Christmas vacation. The colossal battle between the ground and gym crews for Ethelbert, the wooden decoy, came off on schedule, but when the ground crew had definitely demonstrated its superiority, the duck had ducked although there are dark hints as to its whereabouts. The Rev. Michael Jakowski, assistant pastor of St. Boniface church of West De Pere, spoke to the Holy Name men at their January meeting concerning the principles and ideas of the Society. At the same convocation the Very Rev. Dr. A. M. Keefe, O. Praem., College rector, announced that a senior R. O. T. C. unit had been definitely allotted to St. Norbert college, and that courses in military science would be begun next fall. The nine-game grid schedule of the 1936 team was announced by the Rev. M. J. Windt, O. Praem., director of athletics. High spots of the prospective grid card are to be the games against St. Mary's of Winona, Minn., and the homecoming battle with St. Viator College, Bourbonnais, Ill., on November 7. The contract for the 1936 Des Peres was let to Hammersmith-Kortmeyer Company of Milwaukee, who will take care of all work on the book.

The Knights dropped their first basketball game of the new year by losing to a taller Stevens Point Teachers quintet, 43 to 20. They came back to their home

(Continued on page 179)

TO give a brief outline of the activities of the College organizations and their aims, as well as the members who are the keynote of the groups, this section is presented.

# ORGANIZATIONS

Top Row—Corrigan, Clark, Goulette, Meier, Niesen, De Leers, Bourgoin.  
 Middle Row—Malette, Stanish, Johnson, Claridge, Montavon.  
 Bottom Row—Mueller, Burke, Philipsen, Geimer, Sullivan, Mailhot.

## Alpha Omega

President	- - - - -	Henry Arens
Vice-President	- - - - -	Herbert Mueller
Secretary-Treasurer	- - - - -	George Goulette
Master of Ceremonies	- - - - -	Anthony Montavon

ALPHA OMEGA, the College liturgical society, has completed its third year of existence, continuing its services to the school. Organized in 1934, the Society has taken charge of serving the student Masses in the chapel again this year.

Formed originally for the purpose of studying the art, architecture, ceremonies, and literature of the Church, the organization, has, at its bi-weekly meetings, continued the procedure of study in order to give those interested an opportunity to get some practical value out of this important branch of religion.

The society has been a fundamental factor in the revival of liturgy to its proper place in the mind of the layman.

Top Row—Wegner, Crikelair, B. Beach, O'Mahar, Ledvina, Kadlac, LeRoy, Peeters, Soquet, Ahasay.  
 Middle Row—Winters, Sullivan, Gauthier, R. Smith, R. Van Gemert, W. Johannes, A. Van Gemert,  
 McEachron (R. I. P.), Morris.  
 Bottom Row—Stanish, C. J. O'Connor, L. Johannes, Meier, LeClerc, Dennis, Krause, Desmond,  
 Kohlbeck, Schumerth.

## Band

Director - - - - - Rev. A. M. Keefe  
 Assistant Director - - - - - Roger Dennis

DEPARTING this year from its program of a symphony orchestra, the College has maintained a student band throughout the year in anticipation of a military band with the establishment of an R. O. T. C. corps on the College campus next fall.

During the College year the band collaborated with the College glee club in presenting radio programs over radio stations WHBY and WTAQ, the two College stations. The band was capably directed and presented several interesting programs. Three engagements, holiday programs at the Pine Grove Sanatorium, Odd-Fellow's Home, and St. Joseph's Orphanage, completed the band's work for the first semester.

The climax of the year's activities will be the annual spring concert held in May. This will finish the work of the band for the year with the exception of a short program to be presented at commencement.

The band's work at the athletic contests was an outstanding contribution to the athletic program. With the establishment of an R. O. T. C. corps and a new military band, the start made by this year's organization will be a valuable aid to the directors of the new organization.

Top Row—Arens, Stanish, Lagerbloom, Johnson, LeClerc, Corrigan, John Rogan.  
 Middle Row—Glim, Clark, Meier, Bourgoin, Philipsen, LeRoy, Peeters.  
 Lower Row—Schinkten, Ledvina, Mailhot, Goulette, O'Mahar, Kadlac, DeLeers.

## Choir

President	-	-	-	-	-	-	-	-	-	Harvey Corrigan
Secretary-Treasurer	-	-	-	-	-	-	-	-	-	Thomas Peeters
Accompanist	-	-	-	-	-	-	-	-	-	James Kadlac

PROMINENT among the new organizations on the campus this year is the student choir, composed of all men interested in studying the singing of the Gregorian Chant. The Choir was organized by the Rev. B. R. Reuss, O. Praem., and has been directed by him during the present school year.

The Choir, after a few preliminary rehearsals, took over the assignment of singing the requiem high Masses at the student Mass hour on week-day mornings. Although still young as an organization, the choir has steadily improved in quality.

Meetings of the Choir are held regularly every Wednesday evening during the school year, and consist mainly of practices for the Mass. However, the club was not organized until rather late in the year as a definite unit, and it is expected that some new features will be added to its meetings as the next year approaches.

Top Row—Corrigan, LeClerc, Montavon, Mullen, Bellile, Trepanier, Yuenger.  
Bottom Row—Vescolani, Metz, Goetz, Mueller, Miketinac, Schaffer, Duffy.

## Collegiate Players

Director	-	-	-	-	-	-	-	-	-	Rev. A. M. Keefe
President	-	-	-	-	-	-	-	-	-	Edward Goetz
Vice President	-	-	-	-	-	-	-	-	-	Herbert Mueller
Treasurer	-	-	-	-	-	-	-	-	-	Anthony Montavon
Treasurer	-	-	-	-	-	-	-	-	-	Robert LeClerc
Publicity Manager	-	-	-	-	-	-	-	-	-	Patrick Mullen
Stage Manager	-	-	-	-	-	-	-	-	-	Fred Vescolani
Property Manager	-	-	-	-	-	-	-	-	-	Robert Bellile

IN order to foster dramatics both as to acting and as to stage management, Delta, the dramatic society of the campus, was organized in 1930. Entering upon its sixth year of existence, it has given continuously better performances upon the stage, and has increased ability in its various members. It gives men an ability to lose their self-consciousness when speaking before a group, one of the duties which is becoming more and more a problem of the college man.

With the new arrangement of the stage and its increased facilities, Delta has continued to uphold the ever-rising standard of performance which has been exhibited by the group since its organization.

Following a precedent set several years ago, the feminine roles in the Society's productions have been taken again this year by girls from the cities of Green Bay and De Pere. Originally College men took the feminine roles but the titter of laughter and lack of realism occasioned by such a procedure has led the society to adopt the present system.

*Left to Right—Van Drise, Collette, LeClerc, Klinghamer, Schaffer, Halladay, De Lair, Vandehey.*

## "Leave It To Psmith"

A rollicking three-act farce comedy, "Leave it to Psmith", presented by the Collegiate Players on June 5th, was the high-point of the club's productions for the year. It marked the conclusion of dramatic presentations for the school year 1934-35. The play was a long time in production, but the results seemed to justify the care used in rehearsal.

The scene of the story was laid in England, and the dialogue written by P. G. Wodehouse, was thoroughly English. The plot centered about the antics of a young Englishman who had great difficulty obtaining funds from his father. He planned to hire a thief to steal some diamonds belonging to his mother. However, a professional thief stepped in and obtained possession of the loot before the amateur had a chance to seize it. The situation was extremely humorous with everyone suspecting everyone else.

The story finally wound up to a successful conclusion with the discovery of the real jewel thief. The mother had her jewels, the young Englishman his fiancée, and the amateur jewel thief a bride.

The play was unique on the College stage in that three complete changes of set were used in the first act. All of the scenery, which involved much detail and art work was designed by the Rev. A. M. Keefe, and constructed by Armand Collette, assisted by the Players.

Seated—Mullen, De Lair, Schaffer, Le Clerc.  
 Standing—Metz, Miketinac, Kant, Collette, Bellile, Trepanier.

## "The Dover Road"

THE Collegiate Players scored their first success of the 1935-36 school year with their production of "The Dover Road", a comedy in three acts by A. A. Milne, celebrated author. Although the roles of the players were very difficult to portray, the capable directing of the Very Rev. Dr. A. M. Keefe, O. Praem., enabled the performers to do justice to their parts.

The play centered around a curious old gentleman by the name of Mr. Latimer who kept a strange, quiet house on the Dover Road. He was accustomed to stop various runaway couples who were on their way to Dover, and force them to live together for a few days, under conditions designed to show them to each other in the worst possible light. Often he prevented unhappy marriages in this way.

The antics of Orville Schaffer and Mary Jane DeLair as one run-away couple, and Patrick Mullen and Agnes Collette as another amused the audience which attended the production. The play ended happily for the two gentlemen, for they both left for the continent without taking either of the two ladies with them. Mr. Latimer regarded his week as a success.

The play was presented with an all-veteran cast, as no new students had as yet been given an opportunity to enter the organization. These veterans handled their parts well, and the minor parts were also exceptionally well-portrayed.

Top Row—McHale, Dalrymple, Mazzoleni, Steeno.  
Lower Row—Gunn, Kralovec, Bode, Vescolani.

## Columbian Squires

Chief Squire	-	-	-	-	-	-	-	-	-	Dale Butterfield
Bursar	-	-	-	-	-	-	-	-	-	George Clancy
Notary	-	-	-	-	-	-	-	-	-	Gilbert Maloney
Marshall	-	-	-	-	-	-	-	-	-	Lloyd Gunn
Century	-	-	-	-	-	-	-	-	-	Clayton Ponkratz

BEGINNING its second year as an organization on the College campus, the McEachron Circle of the Columbian Squires, with headquarters in Green Bay, continued its activities. The circle was named in honor of Robert McEachron, a deceased member.

The activities of the Squires this year consisted of a basketball team and a hockey team. In addition to the athletic program, the Circle also sponsored a speech contest in which Charles Morris and John Bode, both College men, took part. One of the most successful events of the school year was a semi-formal dance on St. Patrick's day.

Although all members of the Squires are not members of the College student body, nevertheless the Circle is regarded as a campus organization. The Rev. F. X. Exler, O. Praem., is the father prior of the group, and many of the activities, such as basketball games and hockey matches, are held on the College campus.

At present plans are being outlined for a summer camp for members at Eagle River, and for a diamondball team to represent the group in competition.

## The 1936 Des Peres

THE 1936 Des Peres, bigger and more beautiful than any other book so far put out by the College, combines modern make-up with a complete detail of activities present on the campus during the past year. Three-color work, heretofore presented only in brief form, is an addition to the present book. The High School activities have been separated from the College groups for the first time, and take up their own place in an exclusive section of the book. This marks an important step in the presentation of the College annual.

Continuing in its second year without any help from the staff of the Times, its journalistic sister, the smaller but more efficient staff of the Des Peres has endeavored to present a book as different as it is modern. An especial effort has been made to harmonize the entire theme of the book with its dedication to the Abbot, first president of the College.

The activities have been covered as fully as possible, both on the campus and on the athletic field, in order to give not only the students, who would not need a very detailed account, but also their relatives and friends, a complete review of the year: its fun, its trials, and its work. We of the staff have intended this book not only for the students but also for their friends, and have borne this in mind when setting it up. A large book is one which shows the complete activities of the student body, one which will show to what extent activities have progressed the past year. This has been borne in mind and the present book is the result.

The cover bearing a representation of the coat of arms of the Rt. Rev. B. H. Pennings, president of the College, begins the dedication theme which continues throughout the book. It has been the effort of the staff to make this book, dedicated to our College president, the best book skill and endeavor could produce.

Top Row—Sromovsky, Golden, Bourgoin, Mailhot, Venne, Burns, Sladky.  
 Middle Row—Bader, Desmond, R. Smith, Corrigan, Rose, Morris.

## Les Etudiants

President	-	-	-	-	-	-	-	-	Garret Backes
Vice President	-	-	-	-	-	-	-	-	Anthony Karpinski
Secretary-Treasurer	-	-	-	-	-	-	-	-	Peter Golden

THE French Club, entering upon its third year of existence upon the campus of the College, continued in its program to acquaint French students with the literature, customs, songs, and other features of French life. Instead of having outside speakers at its meetings, it has decided that talks given by the students themselves are of more advantage to the members, and several interesting talks were given this year.

Requirements for membership, at first being quite rigid, have been modified from the completion of two years of French to one year of study and enrollment in the second year of the course. This was done to enable French students to take an active interest in the language and to help them in their study.

Top Row—Mullen, Glim, J. Merrill, Wagner, Schmitz, Noonan, Phillips, Bartel.  
 Middle Row—Heigl, L. Johannes, Meier, Tormey, Ledvina, R. Van Gemert, Sullivan, A. Van  
 Gemert, Schmitt.  
 Bottom Row—Geimer, Mallette, Goetz, Stanish, Ellis, Zellner, Platt, Peeters.

## Lustige Kameraden

President	-	-	-	-	-	-	-	-	-	-	-	Vernon Ellis
Vice President	-	-	-	-	-	-	-	-	-	-	-	Charles Zellner
Secretary-Treasurer	-	-	-	-	-	-	-	-	-	-	-	Henry Platt

LUSTIGE Kameraden, the members of the German club, constitute all students on the campus who are interested in the German language, customs, and literature. As most of the students are products of the German class of the College, there is a common bond between them.

The meetings are more or less informal, and are conducted strictly in the German language, since members believe that the only way to acquire a good knowledge of a language is to speak it. At the meetings a "saengerfest" is held, which tends to interest the members in German folk music.

One of the high spots of the year's program was the defeat of the French Club in a basketball game which took on all of the aspects of the World War refought. However, the outcome was definitely different, and the Germans grabbed a hard-fought victory, thus demonstrating their superiority.

The culmination of the Club's activities for the year is in its annual party which is looked forward to by all members. The party has become traditional with the German Club and it is here that new students are initiated, with proper ceremony, into the ranks of the organization.

Top Row—Bader, Corrigan, Ledvina, Mallette, Kadlac, Sladky, Glim, Claridge, Boleau, Kohlbeck.  
 Middle Row—Arens, Lawler, Montavon, W. Johannes, Ellis, Schmitt, Phillipps, Stanish, Woodruff,  
 Mullen, Schumerth.  
 Bottom Row—Meier, L. Johannes, Donohue, Sullivan, Duffy, Posters, Goulette, Metz, LeClerc,  
 Trepanier, Bauman.

## Glee Club

Director - - - - - Rev. A. M. Keefe  
 President - - - - - Patrick Mullen

CO-OPERATING with the Band in broadcasting first over radio station WHBY and then over radio station WTAQ, the Glee Club this year was more active than ever before. Practices were held regularly during the week, and every Friday several selections were offered on the College music hour.

Again this year this musical group will present its annual spring concert, one of the leading musical events of the school year.

Immediately preceding the Christmas vacation, the Club presented a Christmas program, in co-operation with the Band, singing several Christmas carols, and in general contributing to the general Christmas spirit.

Rev. B. R. Reuss  
Moderator

Virgil N. Kohlbeck  
President

## Holy Name Society

Moderator	-	-	-	-	-	-	-	-	-	Rev. B. R. Reuss
President	-	-	-	-	-	-	-	-	-	Virgil Kohlbeck
Vice President	-	-	-	-	-	-	-	-	-	Edward Smith
Secretary-Treasurer	-	-	-	-	-	-	-	-	-	Walter Bartel

THE Holy Name Society, the largest organization on the campus, is made up of all the Catholic students of the College.

This year the Society began the practice of having outside speakers at its meetings who spoke on various phases of the Catholic religion. These talks furnished an integral part of the monthly meetings, and will probably be continued next year.

The members received Holy Communion in a body in their home churches on the regular Holy Name Sunday, and the influence of the club was strongly felt in campus activities.

Top Row—Fruzen, Hine, Wagner, Marshall, Schumertth  
Bottom Row—Lemerond, Rademacher, Duveneck, Krulover, Van Beckum

## Math Club

Faculty Adviser	Rev. L. A. V. DeCleone
President	Norbert Lemerond
Vice President	Frank Fruzen
Secretary-Treasurer	Charles Hine

DURING the four years of its existence, the Math Club has risen to the distinction of being the most technical club on the campus, and with its restricted membership, has also become one of the most exclusive clubs of the College. The Club engages very little in the activities of the campus, its main efforts being mental.

The requirements for entrance are a complete course in mathematics, including a knowledge of differential calculus, unanimous vote of all the members, and a recommendation from the chairman of the department of mathematics. These rules have kept the Club one of the smallest on the campus. At present the group is trying to establish upon the campus a second national fraternity.

The meetings are occasions for discussing various mathematical problems and different methods of teaching mathematics under the guidance of the head of the College mathematics department.

Top Row—Stanish, Merrill, Mailhot, Miketinac, Golden.  
 Middle Row—Mallette, Sullivan, Kadlac, Goulette, Merrill, R.  
 Bottom Row—Bartoszek, Bourgoin, Vescolani, Trepanier, Sromovsky.

## Michigan Club

THE Michigan Club was organized three years ago, and is the first and only state organization in the College. It was organized to promote a brotherly spirit among the students from the neighboring state of Michigan. This spirit is one of mutual benefit.

The Club takes special charge of initiating Michigan freshmen into the collegiate atmosphere. Its popularity among Michigan men is attested to by the fact that every Michigan man on the campus belongs to the club.

The meetings are purely social; the club has neither outside activities nor dues. The meetings are turned over to discussions of the home state, common acquaintances, and common interests of the members.

## Presidents' Club

Adviser	Rev. A. M. Keefe
Secretary	David Yuenger

I N 1932, the Rev. A. M. Keefe, in order to tighten the relationship between student activities and the faculty, brought all the leaders of the student activities together and organized the Presidents' Club.

The Club was first organized to promote various activities of the different groups of the College, but its duties have now simmered down to the duties of an informal board of directors, who pass judgment on the advisability of various actions proposed by campus organizations.

The Club differs from the other campus organizations inasmuch as it has no constitution and no regular meetings. The meetings are called by Father Keefe whenever the occasion arises, and are conducted in discussion rather than the conventional form.

By the joining of the leaders of the several groups into a special body this organization pilots the course of student activities in their proper lanes and keeps them from overlapping.

The high tribunal of St. Norbert extra-curricular activities it is the creator of peace and harmony among the student groups.

## The Third Order

Moderator	-	-	-	-	-	-	-	-	-	Rev. L. A. V. DeCleene
Prior	-	-	-	-	-	-	-	-	-	Henry Platt
Sub-Prior	-	-	-	-	-	-	-	-	-	Herbert Mueller
Secretary	-	-	-	-	-	-	-	-	-	Anthony Montavon
Circator	-	-	-	-	-	-	-	-	-	Harvey Corrigan

SIX years ago, under the supervision of the Rev. L. A. V. DeCleene, O. Praem., the Third Order of St. Norbert was organized and has since become the most active religious organization on the College campus. The purpose of the Third Order is to make the Catholic laymen more religion conscious, and to create within them a greater love for the Blessed Sacrament and for the Blessed Virgin.

The Evidence Guild, composed of members of the Third Order who have delved deeper into the study of their religion, is a special branch of the Order. It enables members to defend their faith successfully against the numerous criticisms to which it is subjected.

The Third Order of any religion is the means by which a person who has not joined a religious order can make an extensive study of his religion without actually joining any order.

# St. Norbert Times

ONE of the most practical undergraduate activities at St. Norbert is the Times. In its seven years of existence it has risen to a point where critics give it credit for being "the best small college newspaper in the country". Last year it was ranked in the top bracket, receiving first-class honor rating from the Associated Collegiate Press. The sports page, using sensational make-up, was rated All-American.

Operating on a yearly schedule of nineteen bi-weekly issues, the Times furnished actual laboratory experience for students of the journalism department. All editors must have completed or be enrolled in all the journalism courses, which include editing, newswriting, and newspaper practice.

The metropolitan system of editorial responsibility was adopted this year, with the editor in chief and the managing editor holding equal rank and being responsible only to the graduate manager. The editor in chief heads the staff, directing the workers. He is in charge of the editorial page, decides the policy of the paper, and represents it in school activities. The managing editor is in charge of all copy except the editorials and supervises the production of the paper.

The editors and reporters actually assist the printshop compositors in making-up the paper, reading and correcting proof, writing and setting up heads, "leading out" stories, and racking their brains for "fillers."

A larger than usual percentage of cuts is made available to the Times through the courtesy of various daily newspapers, notably the Green Bay Press-Gazette, which permits the Times to use mats of pictures of College activities, particularly in sports.

## Varsity Club

Adviser	- - - - -	Rev. Giles T. Fox
President	- - - - -	Robert Noonan
Vice President	- - - - -	Herbert Mueller
Secretary	- - - - -	David Yuenger
Treasurer	- - - - -	Henry Platt

ENLISTED in the ranks of the Varsity Club are those men who are the athletic buccaneers of the College, and they have swooped down upon the well-earned distinction of being the most active organization on the St. Norbert campus. The Club is the only major athletic organization of the College and is composed of all those men who have earned the major N in football, basketball, or boxing. The group was first organized four years ago with the purpose of banding together all the major lettermen for the advancement of the welfare of athletic activities.

Under the able leadership of its officers the Club this year sponsored a football banquet and a homecoming dance in Green Bay to celebrate the close of a very successful football season. Varsity Club members have been presented with miniature gold reproductions of the College letter which will entitle them to admission to any home athletic event within the next five years.

The Tennis Courts

## Camp Tivoli

THE work of the Sons of St. Norbert in the field of education is by no means confined to boys and young men of secondary school or College age. In addition to the parish schools conducted by Norbertine pastors, the members of the Order are proud of the distinction of having established the first Catholic Boys' Camp in Wisconsin.

Modern conditions have made new developments in the educational scheme a real necessity. As the *Cosmopolitan Magazine* in its April, 1936, issue says: "After the first few exciting days of the children's (summer) vacation, discipline and routine are difficult to maintain in most homes. Only persistent prodding brings John down in time for breakfast with the family. He lounges around all morning wondering what to do next, but sulking when asked to help you in the house or garden. Mary Lou, in the tantalizing teens, rather fancies herself in the role of a debutante and wants to fill the summer days with jaunts to town, movies, sodas and dancing parties. . . . Yet, put John and Mary Lou in good camps for the summer and watch the metamorphosis!"

President Eliot of Harvard not so many years ago stated in no equivocal terms that the summer camp is America's most important contribution to the educational development of our times. The Norbertine Fathers perceived that this is eminently true, because they were aware of the fact that the long summer vacations have become real problems in the lives of most parents. The months of July and August may be days of idle-

Rev. P. N. Butler  
Camp Director

The Club House

ness; days of bad companionship in which the plastic characters of young Catholic boys may receive twists which will influence their entire lives for evil. A Catholic camp for Catholic boys is the solution to this very real problem. And Camp Tivoli is a successful example of what safe environment and a carefully worked out program may mean to the youth of the land.

Most camps of today emphasize character and personality development as the motives of their existence. In neither of these fields can they hope even to compete with the Catholic Camp with its opportunities for Daily Mass and Communion, frequent Confession, and daily contact with men to whom religion is a vital part of one's entire conscious life rather than an occasional diversion.

From the point of view of the boy himself, Camp is an answer to the boyhood dreams of adventure, a challenge to his curiosity, a stimulant to his desire to do something, to express whatever of the creative urge he may have in him. The good camp does not forget that boys are not made in a mold. It bears in mind always that each of the lads entrusted to its care is a personality and therefore entitled to personal consideration.

Judging from the enthusiasm of the parents who have sent their sons to Tivoli, the camp has fully realized the purpose for which it was established. If you are a parent, or have charge of a youngster and want to know more about Camp Tivoli, just ask for a booklet by addressing The Director of Camp Tivoli in care of the College.

"By all means," says *Cosmopolitan* in the article quoted above, "send your boy and girl to a good camp this summer—every summer! They will store up many enriching experiences as well as a vast reserve of health and happiness. Best of all, they will return to their homes and families with a new appreciation of the thought and planning which gave them the 'best summer ever'."

Out for a Ride

The Transmitter

## Radio Stations WHBY and WTAQ

A NEW chapter was written in St. Norbert College radio history during the past year when the College obtained the right to buy station WTAQ at Eau Claire from the Federal Radio Commission. This station, in addition to station WHBY, gives the College the distinction of being probably the only college in the country which has two full-time radio stations under its control.

Station WHBY started to broadcast in 1925 with studios in Main Hall and a transmitter atop Boyle Hall on the campus, and the Rev. James A. Wagner, the present director of both stations, was named to take charge of what was termed "an experiment." This "experiment" soon outgrew its quarters on the campus and was forced to move to larger quarters in Green Bay. It became a strictly commercial proposition, and the range of programs was increased to include outside talent.

Rev. J. A. Wagner  
Station Director

The Control Room

In the fall of 1934, WHBY was granted an increase in power from 100 watts to 250 watts for daytime broadcasts, and this event marked the way for the advent of the new station, WTAQ, with its power of 1000 watts. Negotiations were closed for the new station in the summer of 1935, and work began immediately for the opening broadcast.

On February 9, 1936, WTAQ, the second St. Norbert College station, offered its first program to listeners. Starting with the broadcast of High Mass from St. Joseph's Church in West De Pere, and continuing until midnight of the same day, the new station received telegrams of praise and congratulation from all over the country.

Both stations feature regular daily schedules of news, educational broadcasts, music of every kind, religious services, comedy, drama, and novelties. Varities for this year have included lectures by prominent men, the Golden Gloves boxing tournament, athletic events of the College, and all the home games of the Green Bay Packers as well as some of the out-of-town contests.

Studios of both stations are located in Green Bay, Appleton, Menasha, and Oshkosh, and also on the campus of the College. It is from the campus studios that the regular Friday afternoon broadcasts of the College band and glee club are offered.

Undoubtedly stations WHBY and WTAQ can be termed—"The Voices of the Fox River Valley"—for they offer nothing which does not in some way interest the people of this section of the country. Entertaining, educational, efficient, the stations are a source of pride and joy to those who look up to the name St. Norbert.

TO offer our congratulations  
to the men of the gridiron,  
court, and ring during the past  
year—the men who have made  
the name of St. Norbert famous,  
we present the athletes.

## ATHLETICS . . .

ST. NORBERT  
COLLEGE

---

---

Rev. T. G. Fox  
*Athletic Director*

## The Athletic Staff

THE school year 1935-36 brought a great extension in the athletic program of the school with far more difficult football and basketball schedules being undertaken by each team. Every man of the entire student body found some phase of athletics which he was able to enter, and, although major teams play an important part in the school program, an attempt was made to subjugate them to some extent.

In the middle of the school year, there was a change in the athletic directorship, when the Rev. T. G. Fox, O. Praem., succeeded the Rev. M. J. Windt, O. Praem., as athletic director. Father Windt, after leading the school through the most successful football season in its history was forced to resign because of his teaching duties. Father Fox announced that the same athletic policy would be continued under his authority.

The perfection of a well-rounded athletic program was made more nearly complete by the addition of intercollegiate boxing as an integral part of the College program, in addition to a tennis and a proposed golf team. Those who found recreation on the skating rink were enabled to play hockey.

Francis J. McCormick  
*Head Coach*

Under head coach Francis J. McCormick, the friend and counsellor of every man on the campus, the football team rose to heights of fame, and the basketball team, though not so successful, still maintained the Knights' reputation for clean, hard-fighting teams.

Assistant Coaches Radick and Danz, although they were not so much in evidence as the head coach, nevertheless were always behind the scenes, trying to develop the second-string boys into first-class material. Their success is known to every student on the campus, and the student body owes them a debt of gratitude.

In the High School department, Coach Fred Dillon brought championships in football and basketball, and also helped to direct noon period leagues in basketball with Frater Justin Diny, director of both College and High School intramural activities.

Next year should bring a football team which will become the most powerful in the history of the school, and the basketball team, with a few additions from the ranks of this year's freshmen, should have the necessary height and ability to rank high. The boxing team should go through another brilliant and successful season with all members of this year's team returning for competition.

Fred G. Dillon

AGAIN drawing the Oshkosh State Teacher's game as an opening encounter on September 21, the Knights were held to a 12 to 12 tie by the heavier Kolffmen. In 1933 and 1934, the Oshkosh Teachers were the Saint's first opponents and both games ended in scoreless ties.

Typical of the past meetings of the two teams the game was a real battle. Eli Duffeck, making the first score of the game, carried the ball over on an end run from the 9-yard line in the first period. The Peds came back almost immediately to knot the score at 6 to 6, when Swiston smashed over the 3-yard stripe.

Intercepting Barlow's pass in the second quarter, Duffeck started another touchdown drive. Displaying a good aerial attack, mixed with long gains by the backs, the Knights charged to the Teachers' 14-yard line. On the next play Ellis scored on an end run. Captain Noonan missed the place kick for the extra point.

The final score of the game came when Swiston drove over center from the 1-yard line, climaxing a 45-yard march by the Peds.

The Saint's line looked strong as many Oshkosh drives were stopped at the line of scrimmage. The backfield displayed a fine running attack with Captain Noonan, Ellis, and Duffeck getting away for long gains.

Captain Bob Noonan

St. Norbert 0      Stevens Point Teachers 13

THE Green Wave next encountered the strong Stevens Point Teachers on the Pointers' home field in a night game, September 28. The Knights' pass defense was poor and with Unferth filling the air with passes, the Kotalmen scored two touchdowns. The final score was 13 to 0 in the Ped's favor.

The Pointers' running game was completely repulsed, but their air attack was much superior to the Saints'. A crippled backfield worked behind the strong St. Norbert line. Noonan and Vandelist were out with injuries, while Duffeck was in but two plays before he was forced to leave the game with an injured shoulder.

The first half was scoreless, but midway in the third quarter Unferth, a left-handed tosser, heaved two passes, one to Bucholz, the other to Nimz, to put the ball on the Macmen's 13-yard stripe. Two line bucks put the ball on the 4-yard line, for a first down. Three line smashes failed but on the last down Chartier pushed the ball over from the 1-foot line. Houck place-kicked the extra point.

Val Trepanier, who replaced the injured Duffeck, teamed with Ellis in making consistently long gains through the Teachers' line, and he held an edge over the Pointers in punting. Outstanding in the line were Ted Kafka and Norb Coonen, sophomore tackles, and John Platt, freshman center.

Ellis, Halfback

Vandelist, Quarterback      Duffeck, Halfback

THE Michigan Tech miners of Houghton, fell prey to a savage Green Wave as the Knights chalked up their first victory of the season. The Saints garnered 13 points to Tech's none under the floodlights of the West Green Bay high school stadium.

The mid-winter weather on October 5 did not hinder Ellis as he broke away for two touchdowns. The first score came on the Knights' first running play of the game, with Ellis racing 81 yards for the first marker. Several minutes later Ellis sliced off tackle for 28 yards and another touchdown.

The second period found the Saints' substitutes shoving around the Tech defense. Two good gains were made by Bellile who replaced Toonen at fullback position. Just before the half ended Trepanier drove 18 yards to the 12-yard stripe. Sertich added nine and another plunge by Trepanier netted two more as the half ended.

The Knights' poor pass defense was in evidence again when the Miners took to the air in the second half. They gained 15 yards on a forward pass and nine more on a forward-lateral, after recovering Ellis' fumble in mid-field. Miketinac recovered Hurley's fumble to end the threat.

Heigl, Guard

Toonen, Fullback

Trepanier, Quarterback

St. Norbert 0      Lawrence 0

IN a game which marked the close of interscholastic competition between the two colleges, the Green Knights were held to a scoreless tie by the over-rated Lawrence College eleven at Appleton on October 12. Although they decisively outplayed their opponents, netting 200 yards from scrimmage, the Macmen were unable to tally when they were within scoring distance.

The impenetrable forward wall of the Saints held the Vikings to a scant 32 yards from scrimmage. The Lawrence highly-touted passing attack, however, netted them 131 yards, compared to 51 garnered by the Knights. Tommy Leech hurled most of the passes to Osen, Straubel, and Hecker for Viking yardage, while Vandelist and Smith tossed several to Kant, Noonan, and Toonen for St. Norbert gains.

Toonen's consistent ramming over center piled up much yardage for the Knights while Noonan and Ellis picked up yards by slicing through tackle and running the ends. In the second period, the Knights reached the Viking's 24-yard line, which was the closest they came to the Lawrence goal. Noonan was stopped at end and Vandelist's pass to Vansistine was incomplete, ending the scoring threat.

Noonan, Vandelist, Ellis, and Toonen carried the brunt of the offense, while Kant, Vansistine, Kafka, and Platt were outstanding in the line.

John Platt, Center

Moritz, End

Kant, End

St. Norbert 7      Carroll 0

THE most spectacular play of the season, a brilliant 90-yard run by Bob Toonen on the opening kick-off, enabled the Knights to beat Carroll College at Waukesha, 7 to 0. Toonen stepped back and place-kicked the extra point to monopolize the scoring for the day. Toonen took the ball on his 10-yard line, momentarily fumbled it, and then raced along the sidelines to score the only touchdown of the game. Another feature of the game was Miketinac's block which took out the last two men in Toonen's path.

In the third quarter the Macmen made a brilliant and successful goal-line stand. Buck, the Pioneer quarterback, had passed to Ziegler for a first down on the St. Norbert 21-yard line. Buck picked up 19 yards by slicing through tackle, bringing the ball to the Green Wave's 2-yard stripe, making it a first down. Oakes gained a yard on the first play of the fourth quarter. On the next play he was held for no gain. After the Knights were penalized for being offside Buck again hit the center of the line but fumbled and Noonan recovered on the goal line. Standing back to punt in the end zone, Trepanier was rushed and circled end for 31 yards instead of punting, putting St. Norbert out of danger.

VanSistine, End

Coonen, Tackle

Kafka, Tackle

REPEATING their victory of the previous year, the Green Knights beat the strong Milwaukee Teachers at Milwaukee, 12 to 7, on October 26. Vandelist's passing arm was the main factor in the win. He tossed two which resulted in touchdowns, the first, a 30-yard pass to Moritz, and the other, for 50 yards to Noonan.

Waldron, Guard

Two scoring threats of the Macmen were repulsed by the Peds. The first came when Smith returned Kleinman's punt from the 35 to the 9-yard line. Noonan and Toonen carried the ball to the 1-yard stripe, but Noonan was stopped at the line of scrimmage on the fourth down. Milwaukee took the ball and Klienman punted out of danger, to end the threat. The next was exclusively Trepanier's show. Taking Kleinman's punt on his own 18-yard marker, he returned it to the Gull's 47. On the next play he sliced off tackle for 19 yards, and gained eight more on the next try. Here a 15-yard penalty forced the Knights back to the 26-yard marker.

Toonen attempted two field goals, one from the 21-yard line, the other from the 26-yard stripe. Both fell short. Vandelist's passing, with Noonan and Moritz receiving, was outstanding. Trepanier and Ellis showed the Peds some pretty field running, while the Knights saw enough fancy ball carrying whenever Cibik was off on one of his many jaunts.

Miketinac, Guard

Vescolani, Guard

St. Norbert 0      Jordan 0

RAIN and a very muddy field allowed the Jordan Jayhawks to hold the Green Knights to a scoreless tie, thus dimming in some respects the brilliance of the homecoming festival. The wet turf hindered the fast St. Norbert backs and prevented the smooth functioning of any consistent running attack.

A touchdown seemed inevitable when Ellis returned the opening kickoff to the Jordan 28-yard line, but Eckdahl squelched the threat by intercepting Vandelist's pass on his 20-yard marker. In the second quarter Moritz's touchdown was ruled illegal when he pushed Eckdahl out of the way to catch Vandelist's pass in the end zone.

The Macmen did all the threatening in the last quarter after Vandelist completed two passes in a row to Vansistine for gains of 15 and 19 yards. With the ball on the 19-yard line three plays failed to gain and Toonen's try for a field goal was blocked by Payant.

In the first quarter the Knights were forced to repulse the Jordan attack on the 10-yard stripe. Four plays gained only six yards for the Jayhawks and St. Norbert took the ball.

Noonan, Ellis, and Trepanier showed the large crowd some nice running, despite the bad condition of the field, while Kafka, Vansistine, Vescolani, Miketinac, and Platt stood out in the line.

Eckdahl, the Jordan fullback, did the lion's share of both the defensive and offensive work for Jordan.

Rademacher, Center

Neuman, Tackle

Sertich, Fullback

St. Norbert 7      St. Viator 7

IN the final game of the season the Green Knights earned a 7 to 7 tie with St. Viator's College of Bourbonnais, Ill., by making the necessary points in the last few minutes of the game. Trepanier started the touchdown march by returning Betourne's punt from his own 35 to the St. Viator 48-yard line. Ellis galloped off right tackle for 22 yards, and again for 10. Two plays later Smith passed to Ellis on the 2-yard line and he squirmed over for the score. Toonen's placement split the uprights to knot the count at 7-all.

Bellile, Fullback

St. Viator's, a new team on the schedule, scored first, after a 61-yard march to a score. With only 30 seconds of play remaining in the half, Fahey caught Rohinsky's pass in the end-zone. Marik's placement barely crossed the bar for the extra point.

In the second quarter the Knights lost two scoring opportunities. The first time Palladino intercepted Vandelist's pass on the 18-yard stripe. A 15-yard penalty prevented a possible score when the varsity landed within the St. Viator 20-yard line.

It was the last game for Captain Noonan, Hank Platt, and Carl Heigl. Noonan played his usual steady game, as did Heigl. Platt was the mainstay of the St. Norbert line, starting at tackle, but shifting to center in the last quarter. Ellis and Trepanier gave the crowd a fine exhibition of running.

## The Basketball Season

THE words "lean and tough" best describe the 1935-36 basketball campaign. Lean because of the hard luck that dogged Coach Mickey McCormick's squad from November 30 to March 7. Halfway through the season Carl Kant, the tallest player on the squad, was laid up with scarlet fever. His absence meant a margin of from two to seven points in every game. When Howard Burke, sub-center, fractured a bone in his wrist, Herb Mueller, Milwaukee senior, graduated from the intramurals to take his place on the squad.

Mueller's experience was limited to league play in both high school and college. His play improved rapidly in the four tilts in which he entered the lineup, but was not as effective as Kant's. Ray Sladky missed the annual northern trip toward the end of the campaign. The Marinette sophomore could be depended upon for several buckets a game, although he was one of the smallest players on the squad.

Eight lettermen and 11 other hopefuls survived the opening cut as Coach McCormick prepared the Knights for the opener against Concordia on November 30. Dave Yuenger, Marinette, and John Scovell, Green Bay, both seniors, were named co-captains before the first tilt.

St. Norbert 29      Concordia 31

Veets Spychalla and Ray Sladky started at forwards against the Falcons along with Carl Kant, center, and Co-Captain Yuenger and Norb Vandelist, guards. Les Koepke scored four field goals to help Concordia lead at the half, 15 to 11.

St. Norbert tied the score at 19-all midway through the second half, and after the lead had alternated, again snarled the count at 27 to 27. Koepke and Wolters tossed in field goals to give the Falcons a 31 to 27 lead. Vandelist's goal in the last 15 seconds made the final score, 31 to 29. Koepke's 13 points was high for the winners while Vandelist scored 11 and Spychalla nine points for the losers.

St. Norbert 33      Mission House 19

The Mission House Muskies invaded the College gym, but failed to keep Veets Spychalla in check. The Wausau sophomore counted 13 points in the Knights' 33 to 19 victory. Hesslink kept the visitors in the game until the second period when the Muskies tired, permitting the St. Norbert offense to function mechanically and run up the score. At half time the count favored the Knights, 16 to 13.

St. Norbert 24      Stevens Point 27

Stevens Point Teachers, champions of the southern division of the Ped loop, invaded the Knights' stronghold on December 5, and returned home with a 27 to 24 win. The Peds made 5 of 11 shots in the first period and held a 15 to 8 edge at the half. St. Norbert outscored Stevens Point, 16 to 13, in the second period, but the Teachers' early margin was too great to overcome.

St. Norbert 31      Jordan 26

The College cagers won their second home tilt by taking Jordan in stride, 31 to 26. From John Scovell's free throw in the opening minutes of play the Knights never lost the lead though they were uncomfortably pressed late in the second period. Ray Sladky and Norb Vandelist each scored eight points for St. Norbert. Zazewski counted seven for the weak side.

St. Norbert 18      Milwaukee State 43

In the last pre-holiday test the Knights struck Milwaukee Teachers in a tornado-going away. They were handcuffed while the Peds kept the scorer busy in their 43 to 18 win. Coach Penwell used all the players he had in uniform and every combination clicked perfectly. Leading, 18 to 4, at the half, the Teachers rolled on to give the Knights an overwhelming defeat.

St. Norbert 20      Stevens Point 43

A stubborn defense held the Stevens Point Teachers to a 22 to 12 edge at halftime in St. Norbert's first clash after the Christmas holidays. The Peds wheeled away in the latter part of the tilt to win their second joust from the Knights, 43 to 20. Nimz collected eight points for Stevens Point, while Spsychalla counted six for St. Norbert.

St. Norbert 23      Michigan Tech 25

A one-man scoring splurge by Karas of Michigan Tech handed the College another setback at home, 25 to 23. St. Norbert led, 21 to 18, with four minutes left in the game, but here Karas took matters in hand. He counted three straight field goals, and a free throw after being fouled in making his third shot. The Knights' offense showed flashes of good form but bogged down in the second half.

St. Norbert 35      Milwaukee State 43

Milwaukee State Teachers, after trailing 16 to 14 at the intermission, came back to sink the Knights, 43 to 35, in the last home game before the semester exams. The College quintet played flawless ball in the first period, but went to pieces after Dassow scored three short shots to open the second half. Milwaukee led, 36 to 22, in the second period before the Knights came to life. Then the Peds' lead was too great to overcome but the varsity went down fighting.

Co-Captain David Yuenger

St. Norbert 34

Marquette Teachers 30

A sparkling first half offensive shoved the Knights in front of another Ped squad from Marquette, Michigan, 22 to 7, in a fast, rough game in the College gym. Norb Vandelist, Ray Sladky, and Dick Scovell retired via the four-foul route in the second half. The Teachers kept whittling at the Knights' early lead until they cut it to 29 to 26. Veets Spychalla, who had been removed for Sladky, returned to the lineup in the closing minutes and sewed up the game with a hook shot, a short goal, and a free toss. The final margin was 34 to 30.

St. Norbert 32

Mission House 34

Playing without Kant, Vandelist, and Co-Captain John Scovell, St. Norbert dropped a close encounter to Mission House, 34 to 32. It was the Muskies' first win from the Knights in the history of athletic relations between the two colleges. Hesslink was too much for the varsity, scoring eight field goals and a gift toss for 17 points. Mazzoleni, sophomore guard sensation, made five goals for St. Norbert.

St. Norbert 27      Oshkosh 37

Oshkosh Teachers' lengthy squad scored almost at will to defeat the Knights on the College hardcourt, 37 to 27. Co-Captain Dave Yuenger directed the St. Norbert squad effectively until he committed his fourth personal in the second period. He counted two field goals and three free throws for seven points. Oshkosh led at halftime, 20 to 15, and managed to keep the margin and increase it easily in the second period.

St. Norbert 35      Jordan 32

Two local boys made good at Marinette as St. Norbert won from Jordan college, 35 to 32. Dave Yuenger and Ray Sladky, graduates of Lourdes High School, gave the home folks an exhibition of how the game should be played in college competition. Sladky scored five field goals while Yuenger added three baskets and three free throws to the Knights' total. The game was close and hard-fought from the opening whistle, when the Knights grabbed the lead, only to be tied at the half at 17-all.

Vandelist, Sladky, Mazzoleni

Mullen, Burke, Seavert

St. Norbert 20 Michigan Tech 24

A two-day invasion of the upper Peninsula proved disastrous for St. Norbert as the team lost decisions to Michigan Tech and Northern State Teachers. Playing at Houghton the first night the Knights started off well to roll up a 10 to 4 lead. Tech came back to take an 11 to 10 margin at the half. The lead alternated until the last five minutes when the Miners pulled ahead to stay on Buck's rebound and free throw and Karas' push shot. The final score was 24 to 20.

St. Norbert 32 Marquette Teachers 57

Arnie Johnson and Ray Dion, Northern State's high scoring duo, picked the St. Norbert's game to get hot and scored 35 points as the Peds won, 57 to 32. Bob Mullen, freshman forward, was the lone thorn in the Teachers' side, scoring 12 points. Northern led at the half, 21 to 11, and scored at will in the second period. John Anderson, Chicago freshman, also looked good for the Knights.

St. Norbert 32      Concordia 39

Three seniors ended their playing careers as St. Norbert lost the season's finale to Concordia, 39 to 32. Co-Captains Yuenger and Scovell and Herb Mueller, intramural graduate, played their last game for the Knights. The Falcons did some freak shooting in the first half to take the lead, 24 to 15. Koepke parked under the Knights' basket to bat in three rebounds, but two goals by Webber, another pair by Hafeman, and one by Stry were of the hit-or-miss variety. The varsity couldn't get within five points of a tie in the second half. Yuenger scored six points, Vandelist twelve, and Sladky five.

ST. NORBERT  
COLLEGE

Glim, Metz, Bebeau.

Norb Vandelist, De Pere sophomore and guard, was the Knights' high scorer during the season, with 92 points. Veets Spychalla, Wausau sophomore, followed closely with 84 points. Third in line was Co-Captain Yuenger with 52 points. Ray Sladky placed fourth with 41. Two of the remaining players on the squad were seniors, one a junior, three sophomores, and three freshmen. With such a wealth of material Coach McCormick can expect to have a healthy crop of victories in the 1936-37 campaign.

Of the group Dick Scovell scored 36 points, Bob Mullen 31, Carl Kant 25, and John Seavert 23. Palmiro Mazzoleni counted 22, while Co-Captain John Scovell netted 11 points. Herb Mueller, senior, and John Anderson, freshman, each collected four points.

Spychalla, Forward

Kant, Center  
R. Scovell, Forward

Anderson, Radelet, Glim, Motiff, Burke.

Julian Prokopovitz	Theodore Glim
Louis Johannes	Leo Wagner

## The Boxing Season

IN its first year of intercollegiate competition the College boxing team, coached and trained by Savior Canadeo and John Anderson of the Chicago C. Y. O., punched out five straight victories to go through the season without a defeat until being beaten by a more experienced University of Wisconsin B team in the last match of the season.

Home-and-home matches with Loyola University of Chicago, and Jordan College of Menominee, Mich., were won by the Knight mittmen. The Platteville State Teachers also fell prey to the savage St. Norbert leather-pushers.

With no seniors on the squad, the Knights expect to maintain their brilliant record next year. The squad is almost entirely made up of freshmen and sophomores.

Meeting the Loyola university team of Chicago, their first opponents of the season, the St. Norbert mittmen took six of the nine bouts, Dec. 20. Savior Canadeo and Pat Clark both scored technical knockouts. Canadeo put Benedict away in the second round, while Clark came from behind to K.O. Maciewski in the third round. Joe Rose and Julian Prokopovitz decisioned Molloy and Eulo of Loyola. Louis Johannes and Clarence DeCleene were defeated by Baptist and Corby, while the referee stopped the Wagner-Corneille fight when Wagner received an eye injury coming out of a clinch, and awarded a technical knockout to Corneille.

On St. Patrick's day, the College mittmen defeated Jordan College of Menominee, Mich., 7 to 1, at the Columbus Community club in Green Bay, winning six of the bouts by technical knockouts. Savior Canadeo, St. Norbert welterweight, disposed of Harold Rice in the second round of the windup. In the semi-windup, John Anderson was awarded a technical knockout over Francis Doran. Nick Miketinac, Joe Rose, and John Sertich were awarded technical knockouts over their opponents, Formolo, Bunno, and McKay, re-

Canadeo, Anderson, Prokopovitz

Clark, Rose, DeCleene

spectively. Jack Jordan and Leo Wagner won close decisions from Dugener and Guzenski. Junior Prokopovitz, St. Norbert bantamweight, after winning the first round, was knocked out by Roman Wassenberg.

The Knights punched out their third straight mitt victory at Platteville, March 20, when they beat the Miners 4½ to 3½. John Anderson knocked out Don Calloway in the first round of the semi-windup, while Nick Miketinac added a technical knockout to his record by stopping Dick Meyers. Savior Canadeo and Joe Rose won decisions from Polich and Blakely respectively, while John Sertich and Nick Kline fought to a draw. Leo Wagner lost the decision to Leon Mazur, and Ted Glim lost to John Iverson. Pat Clark lost on a technical knockout to Gerald Beaster.

Maintaining their unbeaten record, the St. Norbert boxers again took Loyola university into camp for their fourth straight mitt victory, 7 to 1, before a capacity crowd in the College gymnasium, March 27. Loyola forfeited two bouts, bringing only six men. The last three St. Norbert wins came by the technical knockout route, Savior Canadeo stopping Fran Corby, John Anderson dropping Lon Benedict, and Nick Miketinac knocking out Al Corneille. Jack Jordan and Julian Prokopovitz won close decisions from Ed Maciewski and Art Baptist of Loyola. John Sertich was defeated by Fred Lindenfell for the lone Loyola win.

Victory number five was chalked up by the St. Norbert mittmen, April 3, when the boxers turned back Jordan College of Menominee, Mich., 5 to 3. This was their fifth straight victory and their second of the season over Jordan. Canadeo, Miketinac, Rose, and Glim took their fights by technical knockouts. Anderson scored a clean knockout over Ray Bunno, while Rose was awarded a technical knockout over Rice of Jordan, putting his opponent to sleep with his left hand after injuring his right in the first round. Jack Jordan, Junior Prokopovitz and John Sertich lost hairline decisions.

On April 13 the St. Norbert team lost to the University of Wisconsin B, 2½ to 4½. Glim won, Canadeo drew in three rounds, and Wisconsin forfeited one fight.

## College Intramurals

Champs—Collins, Schumerth, Platt (Capt.), Neuman, Martin.

Iskey Bibbles—Rettke, Bebeau (Capt.), Glim, Claridge, Johannes.

Wolves—Hertel, Appleton, Miketinac (Capt.), Clark, Glim.

## Golfers' Club

President	-	-	-	-	-	-	-	-	-	Robert Murphy
Vice-President	-	-	-	-	-	-	-	-	-	Gordon Gronzo
Secretary-Treasurer	-	-	-	-	-	-	-	-	-	Jerome Ledvina

THE Golfers' Club was organized last fall among the sons of the fairway to promote interest in the sport. At present the Club is trying to crash into intercollegiate competition by angling for matches with state colleges boasting a golf team. At present matches have been tentatively arranged with Marquette University, Jordan, Ripon, and Beloit, and plans are being made for a more extensive program.

The business of the Club is to select from its members players who are capable of intercollegiate golf competition. The Club is self-supporting and has installed a driving net in the basement of the gym, in preparation for its future matches.

Top—Yuenger, Bode, Hine, Gauthier, Golden.  
Bottom—Trepanier, Beach, LeClerc, Bartel.

## Tennis Club

President	- - - - -	Robert LeClerc
Vice-President	- - - - -	John Bode
Secretary-Treasurer	- - - - -	Charles Hine

ALTHOUGH in its first year of existence on the campus, the Tennis Club has already come to the fore as one of the leading clubs in activity. Founded for the purpose of fostering intercollegiate tennis at St. Norbert, the Club last year played seven matches. Although it lost the first five matches, considerable improvement was shown in each contest, so much, in fact, that the netmen emerged victorious in their last two encounters.

This year a far more extensive intercollegiate tennis campaign is being undertaken, and tentative matches have been scheduled with several schools, among them St. Thomas of St. Paul, Minnesota. Other matches include Jordan, Milwaukee State, Beloit, and Ripon. The Club has also been active in the formation of the minor N club, an organization open to all men who have won a letter in any minor sport on the campus. This organization, just formulated, will undoubtedly rise in members and activity as tennis becomes more and more important on the campus.

TO give our fellow-students  
"across the campus" their  
just share of recognition for a  
successful school year, and  
to present a panoramic view  
of future St. Norbert collegians,  
we devote this section of the  
1936 Des Peres, written espe-  
cially by and for the High  
School students.

## Debate Squad

*Coach, Frater Bertrand Mulroy*

### AFFIRMATIVE

Kenneth Rodgers, (*Captain*)  
Robert Cornell  
Edward Hruska  
Patrick McNeely (*Alternate*)

### NEGATIVE

George Nadeau (*Captain*)  
O'Neil D'Amour  
Samuel Blaney  
Harris Jacqmin (*Alternate*)

EARLY in December, Frater Bertrand C. Mulroy organized the first debate team in the history of the High School. Twenty-five men tried out for the team; eight showed marked ability in speaking and organization of material and were chosen to represent St. Norbert in the Northwestern division of the Marquette Forensic Society.

The topic for debate this year was "Resolved that the several States should enact legislation providing for a complete system of State medicine available to all citizens at Public expense". The first debate took place in the College auditorium with Lourdes. The affirmative won over the Lourdes' negative, in a very interesting, as well as instructive discussion. The St. Norbert negative lost a close decision to the Lourdes' affirmative. The next debate with St. Mary's was a very spirited affair, taking place the day after the Squire basketball team had been defeated by St. Mary's at Menasha. The student body attended as well as the faculty.

In both out of town contests generous hospitality was extended to the squad especially at St. Joseph's Academy of Stevens Point, where the debaters stayed overnight. At St. Peter's both St. Norbert teams won, while at St. Joseph's the tables were turned.

Top—Nadeau, Dresen, D'Amour, Cornell, Nault.  
Bottom—Blake, VandeCastle, Kramer, Rodgers, P. Rogan, Mullen.

## Hi-Times Staff

Editor in Chief	- - - - -	George Nadeau

Feature Editor	- - - - -	Melvin Moser
Assistant Feature Editors	- - - - -	Kenneth Rodgers, Leo Dewane
Humor Editor	- - - - -	Bernard Kraemar
Assistant Humor Editor	- - - - -	James Geenen
Typists	- - - - -	George Blake, Robert Kelly, Merton Pevonka
Adviser	- - - - -	Patrick Mullen

FORMERLY, the journalistic organization of St. Norbert High School published both their portion of the Des Peres and the Hi-Times. Last year it was divided into two different sections, the one to devote all of its time to the publication of the Des Peres and the other to devote its efforts to the Hi-Times. Consequently it has taken on new characteristics.

With Patrick Mullen as faculty adviser the publication has greatly progressed. Since the Hi-Times has adopted journalistic methods of writing it gives the future journalists of the High School an opportunity to put their journalistic inclinations in practice and to develop the skill that can come only with actual experience.

Since last year the staff has been greatly augmented, and the publication has increased the scope of its news and has published everything that is of interest to the High School student body.

*Top*—E. Simon, Wetli, Zimonick, Cornell, Lasee, Bourguignon, Flanigan, Morgan, Taylor, Moser, Franken.

*Middle*—Brockman, Pevonka, Zenz, Moran, Savageau, Larscheid, Novitski, Dresen, Rodgers, Kirk.

*Bottom*—Chrouser, Scherg, Nadeau, Zinkl, Blake, Nault, Blaney, Mulhall, McMurtaugh, Knight, Golueke.

## St. John Berchma's Society

Director	-	-	-	-	-	-	-	-	-	Rev. F. F. Dupont
President	-	-	-	-	-	-	-	-	-	Edward Hruska
Secretary	-	-	-	-	-	-	-	-	-	Byron Kirk
Treasurer	-	-	-	-	-	-	-	-	-	Herbert Baker
Sergeant-at-Arms	-	-	-	-	-	-	-	-	-	Howard Nault

FOR the first time since the school year of 1933-34, St. John's Altar Society was introduced into St. Norbert High School under the new director, the Rev. F. F. Dupont, who succeeded the Rev. D. M. Burke.

Thereafter the society met regularly on the third Sunday of each month and attained a position as a religious society equal to that of St. Luke's as a dramatic organization. The society was first introduced upon the Campus over twenty years ago when several students, who are now members of the Praemonstratensian Order, were its members.

St. John Berchman's was principally organized for men who have any aspiration to the Holy Priesthood or who wish to serve Mass. It is also for those who have a difficulty in selecting their vocation.

In order that the members might have a clear idea of the Priesthood and what particular Order they would prefer for their life work, several neighboring priests were invited to address the Society at its monthly meetings.

The Rev. August Brockman spoke on the life of the secular priest in comparison with that of a religious. The Rev. Ferdinand Polowski, formerly superior of the Polish Franciscans in the United States, spoke on the life and work of the Franciscans. The Rev. L. A. V. DeCleene explained the duties and privileges of a Brother's life in Religious Communities.

The missions came in for their share of discussion and a number of other speakers will help at the remaining meetings to encourage and guide the members toward the priesthood.

Schumacher, D'Amour, P. Rogan, Vande Castle.

## St. Luke's Dramatic Society

Director	- - - - -	Rev. T. C. Alger, O. Praem.
President	- - - - -	Maurus Schumacher
Vice-President	- - - - -	Richard Zinkl
Secretary	- - - - -	Paul Rogan
Sergeant-at-Arms	- - - - -	O'Neil D'Amour
Treasurer	- - - - -	Louis Vande Castle

ST. Luke's Literary and Dramatic Society, under the capable direction of the Rev. T. C. Alger, O. Praem., has again earned the distinction of being the most active High School organization on the campus

Striving for a higher caliber in its performances, St. Luke's has presented to its audiences finished performances, which evidenced skillful, realistic scenes, and artistic mannerisms.

This past year St. Luke's enjoyed unusual success because of the abundance of experienced and talented performers. These performers together with carefully planned and produced plays hit the highest peak in dramatics ever achieved in St. Norbert High School.

## "Sacred Mysteries"

A POWERFUL sacred drama is the most successful way of vividly recalling to our minds all of the blessed events of Christ's life; therefore, on March 8, St. Luke's with an all-star cast presented on the stage of the College auditorium, "The Sacred Mysteries", as their Lenten play.

In it all the different parts of the mass were clearly explained by "Truth" a symbolic character, to "The Pilgrim", a man in search of truth. It showed the relation between the sacrifice of the Mass and the various deeds of mankind from the sin and fall of our first parents through the Old Testament up to Christ and His sacrifice of the cross.

St. Luke's Choir, under the direction of Fraters Gabriel and Gregory, sang the "Missa de Angelo". The cast and the Choir displayed and portrayed unusual talent in the singing and acting of this great dramatization.

## "So You're From Missouri"

ST. Luke's Literary and Dramatic society, under the direction of the Rev. T. C. Alger, O. Praem., presented as its first production this year, a three-act farce entitled, "So You're From Missouri". The play was presented on November 10 in the College Auditorium.

Herbert Browning, a young married man, wanted to write poetry. When he leaves some of the notes for his love-stories in his coat pocket and they are found there by his wife, all the trouble begins. However, after many hours of explaining the truth to his wife the story ends with Herbert's wife forgiving him.

Top—E. Martin, R. Simon, Chrouser, Breitenstein, E. E. King.  
 Middle—LaMar, Quinlan, Kirk, Bradley, Burns, Black, J. Anderson.  
 Bottom—E. Simon, Moser, Blaney, Franken, Deaton, Lince, K. Williams, J. Brown, Zinkl.

## Varsity Club

ORGANIZED last year, the Varsity Club has continued on its noble way through 1935-36, with the same spirit that prevails on the campus. Although the Club has no officers and no formal meetings, its principles are shown in every activity of the school. Its numbers consist of the so-called elite of the school; they are the men whose time and energy has been devoted to the athletic endeavors of the Green and White. They have carried the spirit of St. Norbert through to the football championship, to the basketball championship—the first in the history of the school, and to a glorious tournament title. The Varsity Club represents the true nobility of the school. A great majority of its members are honor students as well as athletes. Maurus Schumacher is the representative man of the Varsity Club being president of the senior class, president of St. Luke's, an officer of the R. O. T. C., and an honor student. Dick Zinkl, Paul Rogan, Edward Martin, and Mel Moser are also outstanding men of this organization.

TO keep alive the memories of those happy, carefree high school days, with their joys and sorrows, their work and their play, a short summary of the past year is in order.

## THROUGH THE YEAR

## The Year with the Squires

AGAIN that long white bearded ancient, Father Time, has gloriously hurtled the High School through a triumphant year of scholastic and physical prowess, for both of which it is so well noted. Let us look back into the past, which now appears as though covered with a misty film of many dimmed memories and which has made this year what it has been. We shall here endeavor to unveil those things which time has left in its path and bring them to the present once again.

The first thing we see on looking at the April 5 issue of the Hi-Times is that 39 seniors have applied to Father Wagner for diplomas, 15 for academic and 24 for the straight high school diploma. The Lumberjacks were winners in the Senior Intramural League having lost only two out of 13 games and the Panthers took the Junior League crown with two losses out of 14 games. Frater Justin Diny visited the study hall and picked 16 teams to take part in the annual intramural tournament.

The High School was in the midst of the mid-semester exams. St. Luke's Society under the direction of the Rev. T. C. Alger prepared to re-enact its successful tableau of various scenes from the Passion. The cast for the senior class production, "Apple Blossom Time", was chosen with Edward Van Dyke in the leading role.

The Senior League Intramural tournament title was taken by Schumacher's team after defeating Mullen's, 20 to 17. In the Junior League McMurtaugh's team took the crown from Leiterman's five. The soft-ball league was organized, and the seniors began a hardball team.

The senior class players went through the last rehearsal under the Rev. T. C. Alger for "Apple Blossom Time," a three-act comedy of the "eternal triangle" which proved to be a huge success. The Squire baseballers beat the College players in a hard fought battle. The 10 intramural teams could be seen slugging away on the two diamonds every evening at four o'clock. St. Luke's Society held that famous annual outing, using nearly

30 cars to transport the student body to Menominee Park at Oshkosh. Letters were awarded at the athletic banquet. Maurus Schumacher and Edward Martin were awarded stripes while the other nobles of the floor and ring received letters.

Lloyd Pratsch was selected as salutatorian having led his class through four years of High School. The seniors presented an enormous American flag as a class memorial to be hung in the study hall. Father Wagner was host to the seniors at the annual senior banquet.

The summer vacation here makes a break in our account of the past. We see that by September 5, 165 students had enrolled in the High School, making an increase of nearly 20 men over last year's student body. After classes had been in session for a short while senior class elections were held with Maurus Schumacher being chosen as president. The R. O. T. C., a great innovation on the Campus got under way with the arrival of Captain D. V. Johnson and Sergeant Wayne Richardson, in whose honor a banquet was given in the High School refectory. Father Wagner acted as host. Maurus Schumacher had the honor of being elected to the presidency of the St. Luke's Society.

During the first few weeks of the fall session the Hi-Times staff was organized with George Nadeau, Green Bay, as editor in chief. St. Luke's Literary and Dramatic Society began preparations for its fall production, "So You're From Missouri", a comedy with Carl Reitmeyer and Donald Chrouser in the leading roles. At this time the cadets began drilling with the newly acquired rifles and marksmanship contests were looked forward to. The grid team lost the first tilt of the season against Kaukauna by 12 to 0. Scholasticism was put at a higher standard when the announcement was made that a student in order to make the weekly honor roll had to have honorary mention from three teachers instead of two.

In the early part of October, the Rev. M. J. Windt, athletic director, was elected president of the Fox River Valley Catholic Conference. The Squires were doing wonders on the gridiron. In the first conference battle

the Dillonmen whipped St. John's of Little Chute, 19 to 6. Engels, Schumacher, Rogan, and Zinkl, were the stars. A week later the Green and White Wave routed Lourdes of Marinette, 45 to 7. The goal of the Squires was the conference title. At this time Father Gamache returned from Philadelphia to join the High School teaching staff in English. In the R. O. T. C. a form of military discipline was started. For all infractions of the rules offenders were subject to a few hours of extra duty. William Beebe was appointed bugler of the unit.

St. Luke's observed the feast day of its patron with High Mass celebrated by the Society's director, Father Alger. In the latter part of October, Captain D. V. Johnson with the assistance of Father Wagner and Sergeant Richardson appointed the officers of the R. O. T. C. unit. Those appointed were George Nadeau, cadet first lieutenant, adjutant; Edward Scherg, cadet first lieutenant, supply officer; Fred Lindner and Harold Taylor, cadet sergeants and color guards; Richard Zinkl, George Blake, and Vincent Engels captains of Companies A, B, and C, respectively.

The Squires, very capably coached by Fred Dillon, defeated St. Peter's, Oshkosh, 13 to 0, to win the Conference title. This is the first time in the history of the Conference that the title came to St. Norbert. Much credit is due to Coach Dillon for his fine job of coaching. The Green and White traveled to Escanaba to defeat St. Joseph's, 7 to 2.

Thirty-five men reported for the first basketball practice. For the first time in the history of the school, the campus was the scene of an impressive Armistice Day ceremony put on by the R. O. T. C. Major C. P. Evers, commander of the 6th sector Wisconsin Reserve district, gave an address in which he honored St. Norbert in its establishment of an R. O. T. C. unit.

In the early part of November, 25 men reported to Coaches Canadeo and Anderson to officially start the boxing season. St. Luke's production, "So You're From Missouri", scored a triumph on November 10. The well trained players showed their ability before capacity crowds. Edward Hruska made a hit as the meddling butler, Meadows.

Twenty letters and 10 stripes were awarded the grid team at the annual football banquet before the honored guests, Captain D. V. Johnson, Major C. P. Evers, Father Brockman, Coach McCormick of the College athletic department, and members of the faculty. In the early part of December a debate team was organized under the direction of Frater Bertrand Mulroy. This was the first debate squad to represent the Green and White in the Catholic Conference.

In the first basketball tilt of the season the Squires defeated West Green Bay, 34 to 13. Schumacher and Lasee scored 25 out of the 34 points. The seniors presented their gift this year in the form of interior decorating for the senior clubroom; lovely draperies, and picturesque tapestries can now be seen in the once rather bare room.

The first Conference basketball game was against Lourdes of Marinette, which the Squires badly defeated, 34 to 11. Schumacher, Zinkl and Simon starred. In a game at West Green Bay, the Dillonmen again defeated West High, 24 to 16. At this time intramural basketball was started with 12 powerful teams battling for the honor of attending the basketball banquet in April. The school certainly did its part scholastically according to the honor roll with 70 names represented there.

Dick Zinkl, Maurus Schumacher, and Raoul LaCerte were mentioned on the Lourdes', Marinette, all-opponent team published early in January. Edgewood High School of Madison, came to St. Norbert to defeat the Green Squires, 18 to 11, in a hard-fought battle. This was the first defeat of the season for the High cagers. It was also the first time St. Norbert met the Madison school. In the latter part of January the High debaters began their season by splitting even with the Lourdes' team; the St. Norbert affirmative won while the negative was defeated. The cagers met St. Peter's, Oshkosh, for their first conference defeat, 23 to 14. This gave the Squires a three-way tie for first place.

Colonel C. A. Thuis, corps area commander of R. O. T. C., came here January 25 to review the cadet battalion. The College band played the music for the ceremony. The Colonel was very pleased with the outfit according

to announcement by Capt. D. V. Johnson. In the early part of February the cadets got their first taste of gun fire on the newly opened range in the basement of the College field house. All firing was done under the supervision of Captain Johnson and Sergeant Richardson. The event of the year, of course, was the annual retreat given this year by Father Gilber of Appleton, immediately following the semester examinations. The campus was a scene of devout silence and meditation. The retreat closed with Mass in the chapel. The entire student body received Holy Communion in a body and the papal blessing was given by the retreat master after which the students ate breakfast in the refectory.

St. Luke's Society was planning its production, "The Sacred Mysteries," to be given during the lenten season. It was to be a tableau of the Holy Mass. Raoul LaCerte was chosen to play the part of the Christus. In the Junior Intramural League the Panthers and the Glens were tied. The Senior League was reorganized with four teams. The Squires lost a very close and spirited cage battle to St. Mary's, Menasha, by a score of 25 to 24. A week later the Green and White defeated St. Peter's of Oshkosh, 26 to 21. Lasee made five baskets and two free throws to lead the scoring. The forensic teams again split even in the decisions given for the St. Mary's debate, with the affirmative winning and the negative losing by a small margin. The boxing team was training for forthcoming bouts with Oconto Falls. The student body was evidently studying furiously the first semester for 72 men made the honor roll. The cadet rifle team began shooting for honors among the junior units of the area.

In March the Squires trounced Lourdes, 37 to 12, to win the Catholic Conference championship. This made the second championship for the Dillonites thus far in the year. The School, especially the debaters, who finished the season in third place in the Conference, grieved over the fact that Frater Bertrand Mulroy was to be stationed at Southeast Catholic High in Philadelphia. The boxing team won the bouts with Oconto Falls with three knockouts in eight fights. The Buccaneers were leading the intramurals at that time.

The rifle teams started firing for the William Randolph Hearst Trophy in the middle of March. For St. Joseph's Day the R. O. T. C. acted as guard of honor to the Right Reverend Abbot and Bishop Rhode. At this time the student body was in mourning due to the death of the mother of Father Wagner, principal of the High School.

The dramatic group presented its very successful production, "The Sacred Mysteries", with Howard Nault and Edward Scherg playing the roles of the Pilgrim and Truth. The Squires won their third battle of the year by beating the fast Edgewood team, 26 to 24, in the finals of the College Invitational tournament. After the game the cadet corps staged a physical exercise drill on the gym floor. At the close of the cage season Maurus Schumacher topped the scoring list with 105 points, and Rube Lasee was next with 99 points.

We close this tale of things past with deep regret, knowing that that which has caused laughter and tears, and which resulted in a triumphant year, shall never return to us whom they have so deeply affected. March 31, 1936.

TO properly congratulate those heroes of the gridiron and court, and to present the men who during the past year have aspired to the St. Norbert High Hall of Fame, we give the athletes their due.

# The Football Season

ST. NORBERT 27      KIMBERLY 0

COACH Fred Dillon with a nucleus of five lettermen, and Richard Zinkl and Mel Moser, transfers from Messmer, and Engene Simon, Vincent Engels, and Earl Lockwood, transfers from Green Bay East, faced the difficult problem of replacing such stars of last year as Wilbur Kinate, Edward Pouwels, Robert Rohrer, John Rogan and Joseph Hruska.

However, with a group of inexperienced boys willing to learn the fundamentals of football, Coach Dillon drove his charges hard in preparation for the first game. In the first contest the inexperienced Green and White gridders with smooth functioning attack sent Kimberly back home with a 27 to 0 defeat.

The game started with the Squires playing a deceptive and waiting game watching for any mistakes by the opposing eleven. It didn't take the Dillonites long before they perceived the flaws in the opposing attack and went on to score two successive touchdowns, and the first half ended with the Squires leading, 13 to 0.

In the second half the Squires, headed by Captain Richard Zinkl, played heads-up football and the final result of the game was never in doubt. Twice in the third period LaCerte, the Squire center, broke through to block punts by the opposing team which ended in touchdowns. Both conversions were added by Engels to make the final score, 27 to 0.

ST. NORBERT 0      KAUKAUNA 12

Coach Fred Dillon's Squires met their first defeat of the season when they bowed to a powerful Kaukauna High School team, 12 to 0.

For three quarters the Green and White battled the Kaws on even terms, but fell before a piledriving attack in the final period. The stage was set for the first score when McCormick, Kaukauna's fullback, broke away for 25 yards to put the ball on the St. Norbert 2-yard line. Stopped cold in three plays, McCormick finally drove through right tackle for the touchdown. The extra point kick was blocked.

A few minutes later the Kaws intercepted one of Zinkl's tosses at mid-field. From here the Orange and Black warriors started a steady drive to the goal line. Mixing off tackle slants with sweeping end runs, they moved down the field to the 3-yard line. The Squires braced again at this point, but McCormick again cracked the center for another touchdown. The try for point was wide.

## Football

Dick Zinkl was the whole show for the Dillonmen. His ball carrying was the main feature of the St. Norbert running attack. Paul Rogan also turned in a great game. In the line the work of Mel Moser at tackle and Bill Franken at guard stood out.

ST. NORBERT 19      ST. JOHN'S 6

With a rejuvenated squad Coach Dillon and the Squire eleven chalked up their first Conference victory of the season at the expense of St. John's, 19 to 6.

Two forward passes and one intercepted toss gave the Squires their victory. St. John's scored first in the opening quarter when Bongers plunged over from the 5-yard line after Zinkl punted out from his own goal line to the 38-yard mark. St. Norbert came back in the second quarter to score their first touchdown on a pass from Zinkl to Rogan after Franken recovered a Dutchman fumble on the 34-yard line.

The Squires took the lead early in the second half when Engels intercepted Austin's pass and raced 35 yards down the side-lines to score. Rogan then plunged off tackle for the conversion to make the score 13 to 6. The final score came on a short pass from Zinkl to Schumacher who ran the remaining 25 yards to the goal.

## Football

Engels, Zinkl, Rogan and Schumacher were the main cogs in the Squire machine while Bongers and Austin played exceptional ball for St. John's.

ST. NORBERT 45      LOURDES 7

Playing a driving, slashing game afield, mixed with deceptive passes, St. Norbert High School smothered Lourdes High of Marinette, 45 to 7. The first touchdown came in the opening minutes of play when Lasee blocked Flynn's punt, and Schumacher scooped up the ball and ran 15 yards to score. From that point on it was all St. Norbert. They blocked and tackled, piled up first down after first down, and scored at will.

Zinkl, the Squires' fullback, was the offensive star of the game. His 75-yard run was the highlight of the game. The rest of the backfield, including Engels, Wetli and Rogan, played a smart offensive game. Standouts in the line were Schumacher, who scored the touchdowns on an extra point on a pass from Rogan, and Moser who also scored on a tackle-around play.

The Squires completely outclassed their opponents in all departments of the game, piling up 17 first downs to two for Marinette. They completed 10 passes out of 12, while Lourdes was successful in four out of 16. One of these passes resulted in their only touchdown on the last play of the game.

# Football

ST. NORBERT 13      ST. PETER'S 0

Nosing out St. Peter's of Oshkosh, 13 to 0, Coach Fred Dillon's St. Norbert Squires captured their first Fox River Catholic Conference title in the history of the High School. Schumacher and Moser, two of the Squire regulars, watched the game from the sidelines because of injuries suffered in the game against Lourdes High of Marinette.

St. Peter's threatened throughout the first half with a dazzling array of trick lateral passes. Just before the half ended the St. Peter squad was in scoring position on the 2-yard line.

In the second half the Squires began their touchdown march, which started on their 40-yard line. Zinkl cracked the center of the line for a first down in midfield. A 15-yard penalty on St. Peter's shoved the ball back on the 16-yard line. In three plays they shoved the ball to the 3-yard line from where Zinkl went over for the score. The second score came on a spectacular pass play from Zinkl to Engels with the latter catching the ball while lying flat on his back in the end zone. Rogan added the extra point to make the final score 13 to 0.

ST. NORBERT 7      ST. JOSEPH'S 2

The High School gridders completed the most successful season in the history of the school when they defeated the St. Joseph High team of Escanaba by a score of 7 to 2.

St. Joseph scored first when Williams blocked one of Zinkl's punts. The ball rolled back to the goal line where Zinkl fell on it in the end zone. A few minutes later Zinkl ran 70 yards to the Escanaba 10-yard line, but the Squires lost the ball on downs.

In the third quarter, St. Norbert playing straight football worked the ball deep into St. Joseph territory and as the quarter ended they were on the opponents' 22-yard stripe. At this point Zinkl crashed through for a first down on the St. Joseph 10-yard line. Using two off-tackle smashes, they pushed the ball over for the winning marker. On a fake reverse, Zinkl crashed through center for the extra point to make the final score, 7 to 2.

Zinkl, Rogan, Breitenstein, Engels, Wetli, and Franken, playing their last football game for the Green and White were outstanding for the winners.

Top—Chrouser, Reitmeier, DeBruin, Derbique, Heinzen, Coach Dillon.  
Bottom—Doeren, E. Simon, Bourguignon, Lasee, P. Rogan, Taylor, Morgan.

## The Basketball Season

ST. NORBERT 34 WEST GREEN BAY 13

In the initial game of the year, the Squires proceeded to conquer the inexperienced West Green Bay quintet in the College gymnasium by a score of 34 to 13. The Squires with Schumacher and Lasee consistently hitting the hoop, led at the half, 20 to 5. However, with Vincent and Martel playing good basketball for the Green Bay cagers, they narrowed the margin to eight points at the end of the third quarter. In the final quarter St. Norbert began hitting again and the game closed with St. Norbert leading, 34 to 13. Schumacher with 14 points was the individual star of the night.

ST. NORBERT 34 LOURDES 10

In the first conference game against Lourdes High of Marinette, St. Norbert emerged with a 34 to 10 victory. It was a rugged and fast game with the Dillonites completely outclassing the cagers from Marinette. Schumacher, Zinkl, and Simon played good ball for the Squires while Wensing and Rondeau starred for the Lourdes team. The Lourdes boys played a classy game, but were severely handicapped by lack of size.

ST. NORBERT 24 WEST GREEN BAY 16

In their second encounter of the season with West Green Bay, the Squires put on a brilliant last half spurt and won, 24 to 16. It

# Basketball

was a nip-and-tuck struggle throughout with the St. Norbert cagers outplaying and outshooting the Green Bay players.

Individual honors went to Schumacher with four baskets and a free throw and Doeren who came through with three baskets. However, it was the stellar floor work of Simon and Zinkl that kept the Green Bay boys from adding to their score.

ST. NORBERT 23 ST. JOHN'S 15

With their offense clicking in championship style and their defense stopping everything that came their way, the Squires won their second conference tilt of the season from St. John's of Little Chute, by a score of 23 to 15.

Paced by their center, Lasee, and Captain Schumacher, the game was never in doubt. The Squires took a commanding lead from the outset and staved off a last half rally by the Little Chute team. Lasee with seven points and Simon and Schumacher with six points each were the individual stars for St. Norbert while Bongers and Peeters looked good for the Dutchmen.

ST. NORBERT 34 ST. MARY'S 14

With a barrage of baskets and a deadly eye at the free throw line, St. Norbert swamped St. Mary's, 34 to 14. Although the St. Mary's five stopped the Squires in the first half, the second half saw the preps stepping away from their rivals with ease.

Schumacher with 14 points was the outstanding man on the floor. Zinkl and Simon at the guard posts also played a classy brand of basketball for the Dillonites.

ST. NORBERT 13 EDGEWOOD ACADEMY 17

For the first time in the history of St. Norbert the Squires played the strong Edgewood Academy team of Madison, and lost by a score of 17 to 13. It was their initial defeat of the season. The Squires did not play their usual brand of ball, and the result was that the Edgewood team commanded an early lead which they held throughout the game. In the closing minutes of the game Edgewood, coached by Earl Wilke, a former University of Wisconsin athlete, checked a rally on the part of the Green and White wave.

ST. NORBERT 14 ST. PETER'S 23

Following the Edgewood encounter, the Squires journeyed to Oshkosh to play the dangerous St. Peter's cagers, and came back on the short end of a 23 to 14 score. This marked their second defeat of the season and the first defeat in conference play. Zinkl, playing his last game for the Dillonites, turned in his neatest performance of the season for the Squires. His guarding was one of the main reasons that the St. Peter's five was held to such a low score. Lasee with nine points and Rogan with three points led the Knights in scoring while Kelly, Collins and Millar were the sharpshooters for the winners.

# Basketball

ST. NORBERT 26      ST. PETER'S 21

The crippled Dillonites, playing without the services of Schumacher and Zinkl, sprang an upset victory over the highly touted St. Peter's cagers in their second encounter of the season. Trailing at the half, the Squires with a barrage of baskets came back strong to win the game, 26 to 21.

Lasee with five baskets and two free throws, and Simon and Rogan with two baskets and a charity toss were the individual scorers for the Green and White. Doeren's and Taylor's floor work was the best of the season.

ST. NORBERT 24      ST. MARY'S 25

With the leadership of the Fox River Valley Catholic Conference at stake, St. Norbert lost to the fast St. Mary of Menasha team, 25 to 24. It was Ripple's free throw in the last ten seconds of play which gave the St. Mary's cagers the margin of victory. It was a nip-and-tuck struggle with both teams playing on even terms throughout the game. With the score 23 to 24 in the last minute of play Rogan was fouled by Beck, and he sank the shot to tie the score. However, Ripple, fouled by Taylor, stepped to the free throw line and sank his toss to win the game.

ST. NORBERT 32      ST. JOHN 28

After two setbacks the Squires came back to win their next conference game at the expense of the Dutchmen, 32 to 28. The Squires started out with a spurt, and had a large lead when the half ended. However, St. John's came back strong the second half and played St. Norbert on even terms. Schumacher with 14 points was the high point man for the Squires. Simon's floor game was the best of the season for the Dillonites. Peeters and Bongers were the best performers for Coach Miron's team.

ST. NORBERT 38      LOURDES 14

With a second half scoring spree that garnered 10 baskets and two gift shots, the Squires came back from Marinette with a 38 to 14 win to tie St. Mary's of Menasha, for the championship of the Fox River Valley Catholic Conference. Jack Taylor, with five baskets and a charity toss, led the Squires' scoring, closely followed by Schumacher with three baskets and three free throws and Lasee with four baskets. Simon's guarding was a pleasure to watch, and he came through offensively with three long shots.

Top—R. Simon, Baker, Rueden, Gossen, Blonien.  
 Middle—Breitenstein, Reppen, DuPont, Fleming, Lang.  
 Bottom—Steinmetz, Kolb, Bradley, Gilfray, Summers, Driscoll.

## High School Boxing

SPORTSMANSHIP, confidence in one's self, and the ability to stand on one's feet are a few of the contributing features that make one a man. Thus St. Norbert has instilled into the hearts of every student the need for self-confidence and self-preservation.

This year under the capable direction of Coaches Savior Canadeo and Johnny Anderson, C. Y. O. champions from Chicago, interscholastic boxing was again established. The High School team punched out a four to two decision over the Oconto Falls High School mitt squad. Jack Breitenstein, St. Norbert senior, knocked out Eugene Lambert, Oconto Falls. Al Fleming, St. Norbert sophomore, scored a technical knockout over Irvin Zupple, Oconto Falls. Ernie Kolb, St. Norbert freshman, knocked out Joe Davis, Oconto Falls.

Outstanding fights among the high school elimination contests were those between Herbie Baker and Al Fleming, Jack Breitenstein and Donald Zimonick, Robert Simon and Don Zimonick, and Maurice Summers and Frank Driscoll. All the High School fights were interesting for their fast action and hard punches.

Leading the High School boxers was Captain Jack Breitenstein, who brought them through an undefeated season and assisted in training the squad in the absence of the coaches.

# St. Norbert College Invitational Tournament

THE sixth annual St. Norbert College invitational basketball tournament was won by St. Norbert High School which edged out Edgewood Academy of Madison, 26 to 24, in the final game. It was the second time the Preps came out on top in the history of the tournament. St. John's of Little Chute, won the consolation, nosing out St. Stanislaus of Milwaukee, 25 to 22.

St. Norbert reached the finals by defeating St. Stanislaus of Milwaukee, 27 to 20, in their first game, while Edgewood beat St. Peter's of Oshkosh, 26 to 18. In their second game, St. Norbert came through with a 26 to 19 win over Lourdes of Marinette, while Edgewood shaded St. John's of Little Chute, 18 to 17, in the hottest game of the tourney.

Immediately after the final game, the Rev. T. G. Fox, O. Praem., athletic director and president of the Fox River Valley Catholic Conference, awarded the trophies and announced the all-tournament teams. Members of both all-star teams were given gold medals donated by Ford's Purity Bakery of De Pere.

## Senior Intramural League

	W	L	Pct.
Bear Tracks - - - - -	5	1	.883
Buccaneers - - - - -	4	2	.666
Kramerites - - - - -	3	3	.500
Lumberjacks - - - - -	0	6	.000

BEAR TRACKS - - - 5 1 .833

Bear Tracks, with Art Dresen as captain, captured first place in the Senior Intramural League. Playing good ball throughout the entire season and with a nice last round winning streak, they won the honor of representing the Senior League at the annual basketball dinner. The best players for the Bear Tracks were Capt. Dresen, Dick Zinkl, and Jerry Bradley. These three men carried the brunt of the attack, and were the main reason for the capturing of the title for the Bear Tracks. The Bear Track's team roster included Capt. Art Dresen, Richard Zinkl, Harold Firkus, Jerry Bradley, O'Neil D'Amour, James Hoyt, Harold Knight, and George Wynboom.

BUCCANEERS - - - 4 2 .666

Pirate Buccaneers, led by Capt. Jack Breitenstein, were runners-up to the Bear Tracks in the League. With a group of mediocre players, they clicked in harmony and kept on the trail of the Bear Tracks during the entire season. The final game of the season cost the Buccaneers the championship when they bumped up against the winners of the title. Breitenstein, McMurtaugh, and Reitmeyer, were the main scoring cogs in the Buccaneer machine. The roster included Capt. Jack Breitenstein, John McMurtaugh, Carl Reitmeyer, Samuel Blaney, Jack Haller, and Byron Kirk.

KRAMERITES - - - 3 3 .500

Capt. Mel Moser's Kramerites managed to break even during the season and take the third position in the standings with three victories and three defeats. The smallest team in the League, the Kramerites managed to nose out the champions in their only defeat of the season. Inspired by their manager, Bernard Kramer, they played excellent ball throughout the entire season, but their lack of experience handicapped them considerably. Capt. Mel Moser, Albert Ruys, Donald Chrouser, Art Steinfeld, and George (Tiger) Blake, wore the colors of the Kramerites.

LUMBERJACKS - - - 0 6 .000

The pre-season favorites to cop the title, the Lumberjacks, captained by Merton Pevonka, pulled the greatest surprise of them all by not winning a game. However, old man luck was against them, and with a few men being handicapped by injuries each time the team took the floor, the Lumberjacks could not click together and the inevitable result was that they lost games by the narrowest of margins. Men on the Lumberjack team included Capt. Merton Pevonka, Raoul LaCerte, Edward Scherg, Arthur Beebe, Howard Nault, and Leo Dewane.

## Junior Intramural League

	W	L	Pct.
Panthers - - - - -	9	3	.750
Glens - - - - -	8	4	.666
Badgers - - - - -	8	4	.666
Giants - - - - -	5	7	.416
Cowboys - - - - -	3	9	.250
Bulldogs - - - - -	3	9	.250

PANTHERS - - - 9 3 .750

Top position in the Junior League went to the Panthers under the leadership of Capt. Cookie Vandebusch. High scoring honors for the Panthers went to Vandebusch and Coad. The Panthers' roster is as follows: Captain Vandebusch, Richard Coad, Tom Linsdau, Eugene Hurley, Clayton Blonien, and August Lang.

GLENS - - - 8 4 .666

The Glens, managed by Glen Kassick, and captained by Phil La Mar, tied for second place. Led by La Mar and Hahn, the Glens accumulated 225 points in 12 games. Comprising the Glens were Captain Phil La Mar, Eric Hahn, Earl DeGreef, Ed. Kane, Lester Brandt, and Glen Kassick.

BADGERS - - - 8 4 .666

Capt. Ed. Hastings' Badgers tied the Glens for second position in the Junior League. A final spurt which gave the Badgers six consecutive victories allowed them to tie the Glens for the runner-up post. Their roster consists of Capt. Ed. Hastings, Bob Rogan, Philip Checkie, Robert Baker, Frank Driscoll, Bernard Trembl, and Michael Kain.

GIANTS - - - 5 7 .416

The Giants, captained by Fabian Checkie, hold the fourth position in the League. Led by James Riley, their high-scoring guard, they were the only team to beat the champions twice in succession. The Giants' roster consists of Capt. Fabian Checkie, James Riley, Pat McNeany, Norbert Gilray, James Quigley, Joe Werner, and Raymond DeWane.

COWBOYS - - - 3 9 .250

The smallest team in the league, the Cowboys, led by Capt. Joe Bartel, tied the Bulldogs for the bottom position. Reiser, Bartel, and Mullins kept the opposing teams from running roughshod over the boys from the West. The following cagers composed the Cowboy lineup: Capt. Joe Bartel, Cleo Reiser, Paul Mullins, Jack Stoneman, Clinton Lochen, Robert Reppen, and Earl De Bruin.

BULLDOGS - - - 3 9 .250

Capt. Donald Derbique's Bulldogs joined the Cowboys for the bottom position of the League. Handicapped by injuries the greater part of the season, the Bulldogs didn't hit their stride until the last few games of the season. Capt. Derbique, Harold Hermans, Edward Feser, Ray Brunette, Maurice Summers, Robert DuPont, and Barry Steinberg completed the roster for the Bulldogs.

INSTALLING A SYSTEM OF ARMCO PERFORATED SUBDRAINS

Does the first downpour of rain stop play on your athletic field or playground — or do areas wet from seepage water keep your mowers and maintenance equipment idle for days, when they should be busy?

Then here's good news for you. You can eliminate these troubles once and for all by installing Armco Perforated Pipe. It comes in long lengths, is strongly connected and continues to serve efficiently, year after year without maintenance. It does not clog up, break or disjoint. Write us for full information on how to keep your fields dry.

To William (Senator) Duffy goes the nickel plated goblet for skill at the typewriter. One day Bill was pecking away at the mill like a telegraph operator on a holiday, writing out an assignment, when Mullen sneaked up behind him and read over his shoulder. Bill had just learned to type and was very proud of his ability. With a big Irish grin on his face, he turned to Mullen and said, "That's not bad at all, is it?"

Mullen looked at the jumble again and replied, "Pretty good. What are you writing, a ransom note?"

After taking his B. A. at St. Norbert, Charlie Zellner will continue working at home for his MA.

It has been said (and who will deny it) that class lectures are the process of transferring the notes from the professor's paper to the student's without passing through the minds of either.

Father Keefe tells us of his experiences in Washington. We quote Father Keefe: Wednesday night, I dined at the congressional restaurant, where I had a chance to hear the congressmen eat."

An old one but very appropriate: Donohue asks: "What time is it? Anybody know?"

"What difference does it make to you," says Dillon, "You're not going anyplace."

#### Door Step

Many of the foundlings cared for in our orphanages are step-children.

**The Year on the Campus**

(Continued from page 62)

court to drop a slow contest to the Michigan Tech Miners of Houghton, Michigan, 25 to 23. Meanwhile intramural basketball still held the interest of many of the boarders with Hank Platt's Champs still holding the lead, undefeated, with Miketinac's Wolves, Bellile's Hodags, and Sromovsky's Stooges battling hard to break the tie for second place. The Knight's grid machine was rated in the fourth class among 550 university and college teams in the country, according to a report received by the Rev. M. J. Windt, O. Praem., College director of athletics.

The semester exams were the chief topic of conversation in college circles during the last two weeks of January. However, the student body as a whole weathered the mid-year storms well, with 59 students placing on the honor roll, paced by two men with perfect averages. The second semester began almost immediately, with seventeen new courses being announced by the Rev. F. F. Dupont, O. Praem., registrar. The Rev. Dr. John W. Conroy, C. M., head of the department of history at De Paul university, was announced as the conductor of the annual College retreat to be held during Holy Week.

The College basketball team continued its losing streak by dropping a tough battle, 42 to 35, to the Milwaukee Teachers Green Gulls in the College gymnasium. The Knights led at half-time by virtue of a freak hook-shot by Spychalla just as the gun sounded, but their 16 to 14 lead was snowed under by a barrage of Milwaukee baskets in the second half. The ground crew completed the work on the library storeroom under Boyle Hall. A new era in radio broadcasting was

marked when WTAQ, the new 1000-watt St. Norbert college station began official broadcasts with a high Mass sent out direct from St. Joseph's church in West De Pere. The station has a power four times that of the smaller St. Norbert college station, WHBY. It is to have unlimited time on the air.

The cold weather the early part of February may have bothered students of other schools in the vicinity, but the College men did not lose one day of work, even during the thirty-below spell. Roads to the College were open constantly, and work was carried on as usual. Formation of a minor "N" club was announced by members of the College tennis team and other students who have won minor "N's" in sports at the College. Since minor letter winners are not eligible to the Varsity club, they desired a means of fostering some sort of fraternity among themselves. Again comes a tale of woe from the College basketball courts. The Knights dropped games to Mission House and Oshkosh, losing to the former by the slim margin of two points, 32 to 34, while dropping a hotly contested battle to the latter team, 27 to 37. The Knights were handicapped by lack of height in the last game. They came back however, to defeat the Marquette Teachers of Marquette, Michigan, by a score of 34 to 30, in a game which kept the fans on edge. A change in the athletic staff of the school was announced by the Very Rev. Dr. A. M. Keefe, O. Praem., rector, when he appointed the Rev. T. G. Fox, O. Praem., as athletic director to succeed the Rev. M. J. Windt, O. Praem., who resigned because of teaching duties. The Rev. Basil R. Reuss, O. Praem., instructor of history and economics in the College, upheld the United States Constitution in an article written for the *Ecclesiastical Review*.

The Green Knights defeated Jordan College on the latter's home court by a score of 35 to 32, with Dave Yuenger and Ray Sladky, two Marinette boys, giving the home town a thrill with their playing. Hank Platt's Champs and Steve Bellile's Hodags tied for the championship of the first round in the intramural league, with six victories and one defeat each. The play-off resulted in a victory for the Champs, who thus took the first-round crown.

Major Walter E. Lauer, who was appointed professor of military science and tactics at the College in accordance with the senior R. O. T. C. unit to be installed next fall, arrived on the campus to take charge of his department. Five faculty members were listed in the 1936-37 edition of the "American Catholic Who's Who". The College basketball team concluded a disastrous season with a trip to the upper peninsula of Michigan, where they dropped games to the Marquette Teachers, 57 to 32, and to the Houghton Miners, 24 to 20. They tried hard during the last game of the season, but some classy shooting by the Concordia five gave the Green Knights a defeat, 32 to 39. Announcement of spring football practice to begin March 23rd was made by Coach Francis J. McCormick. All grid men who expect to play in the fall are requested to be on hand for the opening practice. A sad page was written in the history of the school with the death of two students of the College. Gordon Forsythe, Green Bay junior, died of a short illness following a cold, and Robert McEachron, De Pere freshman, passed away as the result of a heart attack following an operation. Funeral services for McEachron were held in St. Joseph's Church, West De Pere, at which the entire student body of the College was present.

The College boxing squad showed its mettle to a satisfied audience by soundly whipping the Jordan mitt-slingers, seven matches to one, and following that victory with a  $4\frac{1}{2}$  to  $3\frac{1}{2}$  victory over the highly-touted Platteville State Teachers' squad. Bosco, the College mascot, was ousted from College, following the posting of his quarterly grades which showed an atrociously low average. The annual Novena to St. Joseph at the national shrine was an outstanding event of the week. Hank "Dean" Platt's cagers captured the intramural crown for the season with Steve Bellile's crew in close pursuit. Norb Vandelist led the College

basketball scorers with 92 points. The boxing squad kept its slate clean by whipping Loyola University, 7 to 1.

The final capping climax to the year, as far as your correspondent is able to carry you, was the amazing discovery of Ethelbert, the missing duck, in the desk of the Rev. B. R. Reuss, O. Praem., Main hall prefect. And thus, with the fading light of a 40-watt bulb growing dimmer and dimmer, this section of the 1936 Des Peres goes to press, on this thirty-first day of March, year of Our Lord 1936. The mid-semester examinations begin next Thursday. If I pass, I'll see you next year.

"Kit" Carson to Captain Johnson, "If I can't be Captain, I won't play."

P. S. I am broke . . . . .

Better Than Pickled

Science has discovered a method of freezing people to preserve them indefinitely without aging. Ed Goetz suggests that the government ought to freeze all able-bodied men at the age of 21 years and can them. Then, when war breaks out, Uncle Sam would merely have to ship the preserves to the front, get out the can opener, turn on the heat, and he would have an army as good as the day it was packed.

---

‘‘I'll put in some of this desensitizer before I drill,’’ said the dentist, ‘‘And it won't hurt you at all.’’

When he had finished the boring, he asked, ‘‘Did it hurt?’’

‘‘No,’’ answered the patient, ‘‘How much is this going to cost?’’

‘‘Oh, about thirty bucks for the whole job.’’

‘‘Oww!’’, wailed the patient, ‘‘Quick, shoot a squirt of that stuff into my pocket book.’’

---

‘‘Yep, she's awful changeable. Monday she's trying to make up her mind what to do. Tuesday, she's pretty quiet; Wednesday she begins to warm up, and gets hot on Thursday. Then, when I want to go out on Friday, she's cold again. By Saturday I don't know what to do. She is positively balmy. On Sunday she rains. Yep, you can't depend upon the weather.’’

---

And who are the Canons?  
The big guns of the Church.

**DAVE BURKE**

Fink was the resourceful proprietor of a tavern. Now Mr. Fink's business was beginning to lag a little, so he connived a scheme to entice the more conservative townspeople into exercising their elbows in his emporium. One morning, before he swept up the cigar butts and polished his glasses, he hung this sign in his window:

My name is Fink,  
What do you think?  
With every free lunch,  
I give a free drink.

Mr. Fink's first customer that morning was a farmer whose rusty pocket book hadn't been opened since the last milk check went into it. He had read the sign, for he dove into the free lunch cabinet and ordered himself a drink. After he had eaten about half a yard of sliced liver sausage wrapped in rye bread, and had drunk a beer with each sandwich, the customer pulled down his ear lops to go and said, "Nice lunch." Then, with a big grin on his pan, he started to leave.

"Here, you. Hold on here my lad," said Mr. Fink. "You kinda forgot to pay."

"Pay? It says on the sign that you serve free beer with your lunch, and I et a sandwich with every beer I had."

"Oh is that right?" said Mr. Fink triumphantly. "You think you can come in here and fill up on free lunch and get a good buzz on for nothing? Come outside with me. I'll read you that sign. Here's the way she should be read.

My name is Fink,

What do you THINK!?

With every free lunch I GIVE a FREE drink.

### The All-Clerical Football Eleven

Right End: Father Burke, by unanimous choice, on account of his long reach and his ability to bring a man down.

Right Tackle: Father Rybrook because of his unusual combination of brains and brawn.

Right Guard: Father Diedrich, because of his experience on professional guard duty.

Center: Father Butler. With his previous experience at center, he wouldn't get dizzy with his head between his feet.

Left Guard: Father Keefe. He is adept at pulling out in any direction.

Left Tackle: Father Reuss, because he has stopped up more athletes on rampage than Cal Hubbard.

Left End: Father De Cleene, because he and Father Reuss click wonderfully together.

Left Half: Father Kenny. Fast and shifty.  
Right Half: Father Jacobs. Triple threat.  
Can kick, pass, or flunk.

Quarterback: Father Alger. Can act as master of ceremonies, run interference, and drop in safety position.

Fullback: Father Righino, the best man on the short hauls.

---

"What's the matter with your pal there by the lamp post?" asked the cop. "Is he sick or drunk?"

"Naw, you got him all wrong offisher," said the steadier of the two. "He's got what is known as a liquid voish, and he ish jusht practishing the scale."

---

The "Saints", as sports writers are wont to dub St. Norbert students, will probably soon be canonized by the looks of the war clouds gathering in Europe, etc.

ST. NORBERT  
COLLEGE

---

Even the invincible Times lapses into ambiguity once in a while. Into the iron frame in which the paper is "put to bed" sneaks the little bed bug of dual meanings, misplaced vowels, and cock eyed consonants. Here are some that passed in the night and were brought to light later.

---

## **Montavon Is M. A. After Ten Years**

(It is only fair to Paul that we mention here that he also received his High School education on the S.N.C. campus.)

---

## **Vescolani Bags Win For Bellile's Quintet**

The funny part of this one is in the bag. Get it?

---

## ***New Scenery Planned, Girls Signed for Production of 'Black Flamingo'***

Every member of the Collegiate Players wanted to be a prop man when he saw this headline.

## **Old Grads Flood College Campus at Homecoming**

The Times has always had a complex for exaggerations. It really wasn't that bad.

## **Van Abel, Scovell, Liebmann Get Jobs As Yuenger Quits**

There might come a day when they can't find three good men to replace Yuenger.

## **ATHLETIC DIRECTOR IS ELECTED LOOP HEAD**

The Times created this one. There wasn't even a contest held.

## **Whistling Ranger Will Speak Here**

The double crosser!

---
